FEATURES

BASS REFLEX CHAMBER

A bass reflex chamber in the upper housing ensures excellent bass response and sound insulation.

SUPERIOR DURABILITY

Metal components are used in key parts and the headphones have passed demanding stress-testing so you can take them on the road with confidence.

40-MM HD DRIVERS

Hear clear sound separation – from rich and tight bass to crystal-clear mid-to-high frequencies – thanks to the 40-mm HD drivers, which reproduce high-resolution sound from 5 Hz to 40 kHz.

COMFORTABLE EAR PADS

Improvements to the ear pads enable you to DJ in comfort for longer.

COLOUR CHOICE

Available in black and white.

FLEXIBLE HEADBAND

A flexible, durable headband is designed to help you find the perfect fit. Passing stringent tests, including opening and closing 20,000 times, it's built to withstand intense use.

SWIVEL MECHANISM

The swivel mechanism, with its angle fixed to 45 degrees forwards, helps ensure the HDJ-S7 headphones are comfortable to use for any monitoring style.

4-CORE TWISTED-STRUCTURE CABLE

The independent ground wire in the 4-core twisted-structure cable provides superior left and right channel separation, improving sound quality.

2-YEAR WARRANTY

To guarantee long-term, reliable performance, a 2-year warranty is included.
