Rechargeable Batteries & Powerpacks

hama.

Power Pack "ALU15HD", 15000 mAh

Connection (Input)	USB Micro B Socket, USB-C-coupling
Connection (Output)	USB A Socket, USB- C-coupling
Component	USB-Type-C-Cable

- The power pack provides an energy boost on the go
- High-density cells allow a more compact and lightweight construction than conventional cells
- Certified cells guarantee the highest safety standard and top quality
- Optimized charging process saves the battery thus extending its service life
- Elegant and robust aluminium housina
- Stylish look and feel: looks good, feels aood
- Easy and quick connection thanks to the USB-C plug that can be used on both sides
- Easy recharging of smartphones and other mobile devices
- Ideal companion with energy "to go": for a new boost of energy simply connect the smartphone and the power pack with the cable
- Simple charging on a USB charger (not included in the extent of delivery) via micro-USB charging cable or USB-C charging cable
- Universal use

4. Delivery and Period of Delivery Unless the period of delivery has been agreed upon in written form for a specific case, delivery dates are to be understood as approximate dates to which we shall adhere whenever possible. Should the period of delivery be exceeded, the purchasing party may set an appropriate extension of said period, after the end of which they may withdraw from the contract through written declaration of their intent to do so. The period of delivery shall be considered adhered to if the object of delivery has left the factory or

notification of readiness to ship has been sent before the end of said period. The period of delivery shall be extended in the event of industrial disputes, particularly strikes and

lockouts, as well as unpredicted obstructions beyond our control such as disruption of production, delay in the delivery of essential materials and other such disruptions that demonstrably bear on the delivery of the goods to be delivered. The same applies should such eventualities affect subcontractors. The period of delivery is extended according to the duration of such eventualities and obstructions. Should delivery become impossible or unreasonable, we are released from the successful to develop delivery. responsibility of making delivery. We are also not responsible for the aforementioned circumstances if they occur during an already

existing delay. In important cases, the onset and conclusion of such obstructions shall be commu-

Incated by Hama to the ordering party at the earliest possible occasion. The purchasing party shall have no right to compensation for delayed delivery, unless deliberate or gross negligence on our part can be demonstrated. We are entitled to undertake partial deliveries in acceptable and reasonable quantities. Disputes over partial delivery do not entitle the purchasing party to refuse further partial deliveries.

5. Shipping and Transfer of Risk All deliveries take place at the expense of the purchasing party. The choice of route and means of transport are determined by Hama to ensure the swiftest trans-portation and punctual arrival to the best of its knowledge but without liability on the part of Hama.

Risk shall be transferred to the purchasing party when the object of delivery is received by the forwarding agent, carrier or other transporting agent – including those that are employed by us – and in any case no later than when the object leaves the factory or warehouse. This also applies to FOB and CIF transactions.

Goods for which notice has been given that they are ready for dispatch on the agreed upon date Boous to which notice has been given that they are ready for dispatch of the adjreed upon date must be retrieved immediately. Ham is otherwise at liberty to store goods at the cost and risk of the customer as it considers fit, and to charge such goods as ex works or warehouse. The same applies if delivery cannot occur as a result of failure or suspension of transport, or of other con-ditions for which we cannot be held responsible. Should the ordering party delay acceptance of delivery for more than fourteen days after receiving notification of availability either intentionally or through gross negligence. Hama shall be, after an extension of a further fourteen days, entitled to withdraw from the contract or to domand comparison for baceh of contract. to withdraw from the contract or to demand compensation for breach of contract.

6. Terms of Payment

On the request of the purchasing party, Hama shall release its securities in so far as the value of our securities exceeds more than 20 % of the claim on a non-temporary basis. The choice of securities to be released lies with Hama.

8. Claims for Defects and Warranty a) Claims for Defects

Hama warrants that its goods shall be free of material defects and defects of title at the time of transfer of risk. The warranty period begins with receipt of the goods by the customer and lasts two years.

Received goods shall be checked on receipt as to proper quality. The purchasing party shall notify Hama of any detectable defects in writing within fourteen days of receipt of goods. Hidden defects shall be reported in writing as soon as they are detected, at the latest within two years after receipt of goods. In the event of justified complaints made within the appropriate period, Hama shall rectify the defects, exchange the goods, or issue a credit note at its discretion.

b) Warranty

Hama warranties some of its products as indicated on the relevant product warranty card. Defects of material or fabrication shall be rectified within the warranty period by repair or replacement at Hama's discretion.

The warranty does not cover claims for damages of any kind, particularly not for replacement due to consequential damage. If the device in question is still under warranty, it shall be sent to Hama along with details of the defect and the dealer's receipt as proof of warranty.

 () Voiding of Claims for Defects and Warranties In the case of defects caused by force or improper use, as well as in the case of repairs or actions by the purchasing party or third parties without our express written consent, the right to claim for defects and the warranty become null and void.

In the case of articles subject to wear and tear, no damage resulting from use over and above appropriate norms shall constitute a defect.

d) Reimbursement of Expenses

Reimbursement of expenses pursuant to article 439 II of the German Civil Code shall be agreed with Hama on an individual basis. This only applies to purchasing parties who themselves sell the goods they receive to private individuals. Any further liability for other reimbursement of expenses is excluded by Hama. The purchasing party has no other rights.

e) Postage and Shipping Costs

The sender is responsible for initially paying the postage and shipping costs for any shipments sent to Hama relating to claims for defects, warranties, product liability claims and similar matters. These costs will be reimbursed once the validity of the claim is acknowledged.

9. Disclaimer

Regardless of the legal basis of such claims, our liability for damages is limited to intentional Acts and gross negligence, including intentional acts and gross negligence on the part of our representatives and agents. In so far as no intentional breach of duty exists, liability is limited to foreseeable damage that typically occurs. In the case of breach of an essential cardinal duty, we assume liability irrespective of the degree of fault. However, our liability is limited here to foreseeable damage that typically occurs.

Liability due to non-accidental injury to life, limb or health is not affected. Liability is also not affected in so far as it is mandated by the German Product Liability Act, in the case of wilful deception or if a warranty is provided.

10. Returns

If it is necessary to clear merchandise, the scope and execution is generally to be clarified with us or with our field service. The following products are excluded from merchandise clearing: products from the technical price-list and weekly price-list (WPL), picture frames, opened display items, items with minimum order quantities and products that have been discontinued from our line. We also reserve the right to exclude from merchandise clearing individual product ranges that might be damaged during transport, that were delivered as part of a sales campaign or that could result in increased costs/procedures for returns and disposal.

Goods must be returned in the original packaging and with all shipping costs paid by the sender. The invoice belonging to the original delivery must accompany the shipment. Credit notes from the return of goods may only be charged against new orders of goods. Credit notes are subject to relevant deductions. Handling costs are set at fifteen per cent of the credited value of goods.

11. Applicable Law

The material law of the Federal Republic of Germany shall apply. International law on the purchase of moveable goods shall not apply, even if the purchasing party has headquarters abroad.

12. Place of Performance and Jurisdiction
