Bags & Cases

Cover

hama

Cover
"Always Clear for Apple",
Transparent

| Material | Thermoplastic Polyurethane (TPU) |
|----------|----------------------------------|
|----------|----------------------------------|

- Transparent mobile phone case without yellowing: many years of enjoyment from your case as the special material composition prevents yellow discolouration
- A clean sweep: The mobile phone cover also covers the side buttons - this protects against dust and enables a perfect pressure point

| | |
|----------------------------------|----------|

hama

Cover
"Cam Protect for Apple",
Light Blue, Transparent

| Material | Acrylic, Thermoplastic Polyurethane (TPU) |
|----------|---|
|----------|---|

- Extra strong additional protection: the raised metal edges of the mobile phone case provide reliable protection for the protruding camera lenses without affecting the quality of the photos
- Additional protection for the mobile phone display: The mobile phone cover has a raised edge all around - so the touchscreen is better protected
- Transparent mobile phone case without yellowing: many years of enjoyment from your case as the special material composition prevents yellow discolouration
- Tailor-made mobile phone case: protects what needs to be protected and leaves free what should remain free, e.g. loudspeaker and charging socket
- A clean sweep: the mobile phone cover also covers the side buttons - this protects against dust and the metal buttons allow a perfect pressure point
- Robust protection on the back: bumper made of impact-resistant and shatterproof acrylic for long-lasting mobile phone protection
- Packaging with a clear conscience: our packaging is 100% plastic-free, enabling us to reduce plastic waste and increase its recyclability
- FSC-certified: the paper and cardboard used in our packaging comes from sustainable forest management - enabling us to take a resources-sparing approach to the raw material of wood

hama

Cover
"Eco Premium for Apple",
Black

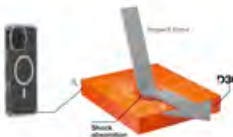

| Material | Polycarbonate (PC), Polyurethane (PU), Recycled |
|----------|---|
|----------|---|

- Robust mobile phone case: noble combination of high-quality imitation leather and sturdy metal elements for long-lasting mobile phone protection
- And so the circle closes: this product is made up of at least 20% recycled materials, enabling us to take part in an eco-friendly cycle
- Extra strong additional protection: the raised metal edges of the mobile phone case provide reliable protection for the protruding camera lenses without affecting the quality of the photos
- Additional protection for the mobile phone display: The mobile phone cover has a raised edge all around - so the touchscreen is better protected
- A clean sweep: the mobile phone cover also covers the side buttons - this protects against dust and the metal buttons allow a perfect pressure point
- Tailor-made mobile phone case: protects what needs to be protected and leaves free what should remain free, e.g. loudspeaker and charging socket
- Fingerprint-resistant surface: the high-quality imitation leather of the mobile phone cover avoids ugly streaks from fingerprints - and instead simply always looks fresh and clean
- Softly bedded: super-soft inner lining to protect the sensitive back of the smartphone
- Packaging with a clear conscience: our packaging is 100% plastic-free, enabling us to reduce plastic waste and increase its recyclability

- A sophisticated hand flatterer: the surface of the protective cover in silky rubber-oil finish looks and feels good
- Non-sticky: special rubber oil surface prevents crumbs from sticking to the phone cover and allows the phone to be removed from trouser pockets, jacket pockets and handbags in one go
- A clean sweep: The mobile phone cover also covers the side buttons - this protects against dust and enables a perfect pressure point
- Tailor-made mobile phone case: protects what needs to be protected and leaves free what should remain free, e.g. loudspeaker and charging socket
- Scratch-resistant back cover: rubber-oil finish exterior is resistant to keys, pens and coins in trouser, hand and jacket pockets
- Simply lay it down carefree: the raised edges of the phone case provide protection for the protruding camera lenses without compromising the quality of the photos
- Additional protection for the mobile phone display: The mobile phone cover has a raised edge all around - so the touchscreen is better protected
- Softly bedded: soft inner lining to protect the sensitive back of the smartphone
- Packaging with a clear conscience: our packaging is 100% plastic-free, enabling us to reduce plastic waste and increase its recyclability

Cover "Eco Premium for Samsung", Black

| Material | Polycarbonate (PC), Polyurethane (PU), Recycled |
|----------|---|
|----------|---|

- Robust mobile phone case: noble combination of high-quality imitation leather and sturdy metal elements for long-lasting mobile phone protection
- And so the circle closes: this product is made up of at least 20% recycled materials, enabling us to take part in an eco-friendly cycle
- Extra strong additional protection: the raised metal edges of the mobile phone case provide reliable protection for the protruding camera lenses without affecting the quality of the photos
- Additional protection for the mobile phone display: The mobile phone cover has a raised edge all around - so the touchscreen is better protected
- A clean sweep: the mobile phone cover also covers the side buttons - this protects against dust and the metal buttons allow a perfect pressure point
- Tailor-made mobile phone case: protects what needs to be protected and leaves free what should remain free, e.g. loudspeaker and charging socket
- Fingerprint-resistant surface: the high-quality imitation leather of the mobile phone cover avoids ugly streaks from fingerprints - and instead simply always looks fresh and clean
- Softly bedded: super-soft inner lining to protect the sensitive back of the smartphone

- A sophisticated hand flatterer: the surface of the protective cover in silky rubber-oil finish looks and feels good
- Non-sticky: special rubber oil surface prevents crumbs from sticking to the phone cover and allows the phone to be removed from trouser pockets, jacket pockets and handbags in one go
- A clean sweep: The mobile phone cover also covers the side buttons - this protects against dust and enables a perfect pressure point
- Tailor-made mobile phone case: protects what needs to be protected and leaves free what should remain free, e.g. loudspeaker and charging socket
- Scratch-resistant back cover: rubber-oil finish exterior is resistant to keys, pens and coins in trouser, hand and jacket pockets
- Simply lay it down carefree: the raised edges of the phone case provide protection for the protruding camera lenses without compromising the quality of the photos
- Additional protection for the mobile phone display: The mobile phone cover has a raised edge all around - so the touchscreen is better protected
- Softly bedded: soft inner lining to protect the sensitive back of the smartphone
- Packaging with a clear conscience: our packaging is 100% plastic-free, enabling us to reduce plastic waste and increase its recyclability

hama

**"Always Clear" Keyring for
Apple AirTag, transparent**

| Material | Thermoplastic Polyurethane (TPU) |
|----------|----------------------------------|
|----------|----------------------------------|

- Transparent AirTag cover with no yellowing: long enjoyment of your cover since the special material composition prevents yellow discolouration
- A clean sweep: the cover encases the entire AirTag, protecting it from dust, scratches and dirt
- The structured inside with grid points avoids electrostatic suction so that no unsightly film forms between the protective cover and the AirTag

| | |
|-------------|----------|
| Transparent | 00127476 |

- Only opens when it's supposed to: practical case for mobile phone with hidden magnetic fastener
- Mobile phone bag with wallet function: 2 small card compartments and one large card compartment spanning the entire inside in the mobile phone case offer space for IDs, cards, driving licences, notes, etc. - always to hand without rummaging around for your wallet
- Fingerprint-resistant surface: the robust material of the mobile phone flip cover avoids ugly smears from fingerprints - and instead simply always looks fresh and clean
- And so the circle closes: this product is made up of at least 20% recycled materials, enabling us to take part in an eco-friendly cycle
- Packaging with a clear conscience: our packaging is 100% plastic-free, enabling us to reduce plastic waste and increase its recyclability
- FSC-certified: the paper and cardboard used in our packaging comes from sustainable forest management - enabling us to take a resources-sparing approach to the raw material of wood

**Waterproof Mob. Ph. Case,
up to 6.7", IPX8, Underw.
Case, f. Hanging, blk**

| Material | Polyvinyl Chloride (PVC) |
|----------|--------------------------|
|----------|--------------------------|

- Whether in the water, by the water or on the water: thanks to IPX8, the waterproof mobile phone case is just as suitable for underwater photos while diving as it is for snapshots while swimming or beach photos
- Whatever you do during your outdoor activities around the water - with the waterproof mobile phone case you can make calls, take photos, write and listen to music without having to take the mobile phone out of the transparent waterproof case
- Transparent mobile phone sleeve: smartphone can be operated through the touchscreen film
- Absolutely waterproof: use the open/close latch to activate the locking mechanism for secure and watertight closure
- Water and dirt-repellent hanging strap, ideal for the beach, water, etc.: with the 2-cm-thick, length-adjustable strap, you can always carry our mobile phone safely and close to you
- Luminous underwater mobile phone case: the fluorescent frame around the viewing window makes you and the phone case more visible at dusk and in the dark
- Suitable for smartphones with display up to 6.7" or dimensions up to 15.8 x 8 cm
- Passes, tickets, credit cards and cash can be stowed safely in the waterproof sleeve and protected from water, dust, dirt and sand

Lens Screen Protector "For Apple", Transparent

| Material | Tempered glass |
|----------|----------------|
|----------|----------------|

- Especially durable and robust camera protection made from tempered glass: perfect-fit and strong protection for the camera lenses of the Apple iPhone 15 and iPhone 15 Plus – prevents shattering, breakage and scratching of the camera lenses
- No photo impairment: the mobile phone camera glass offers protection for the projecting camera lenses without impairing the quality of the photographs – for a carefree way to take pictures and videos
- Case-friendly: the special design means it fits all bags, covers and sleeves – the iPhone camera protection for the smartphone camera complements the all-round protection for the Apple iPhone
- Everything included: a microfibre cloth for cleaning the sensitive camera lenses as well as assembly instructions are supplied – perfectly polish the lenses and apply the protective glass correctly and securely
- Fast and straightforward attachment: use the enclosed microfibre cloth to clean the camera lenses of the Apple iPhone 15 or iPhone 15 Plus, peel the camera protection glass off the backing material, stick it in place, done!
- Can be removed again when required without leaving any residue: if you do happen to drop your phone, the iPhone camera protection can be easily removed again if, for example, the protective glass is scratched

Charger with Lightning Connection, 5 W, 1 m, white

| Connection | Lightning connector |
|-------------------------------|---------------------|
| Output Voltage/Output Current | 5V/ 1A |
| Max. Output Power | 5 W |

- Intelligent chip set for safe charging: overloading, excess current and short circuit protection, IC with temperature protection
- Optimized charging process saves the battery thus extending its service life
- Connected devices are automatically recognized and optimally charged
- Guarantees maximum charging speed with charging optimised for the device
- Compact design does not block other sockets
- 100 - 240 V mains connection suitable for worldwide use in conjunction with country-specific adapter

| | | | | | |

Charger with Micro-USB Charging Cable, 12 W, 1 m, black

| Connection | Micro-USB-Plug |
|-------------------------------|----------------|
| Output Voltage/Output Current | 5V/ 2,4A |
| Max. Output Power | 12 W |

- Intelligent chip set for safe charging: overloading, excess current and short circuit protection, IC with temperature protection
- Charging process optimized for the device which guarantees maximum charging speed
- Optimized charging process saves the battery thus extending its service life
- Sturdy plugs and moulded strain reliefs, high mechanical resistance
- Everything included: charging kit comprising charger and charging cable
- Max. output power: 12 Watts
- For on the go: small and lightweight power supply unit, fits in every bag and hand luggage
- Compact design does not block other sockets
- 100 - 240 V mains connection suitable for worldwide use in conjunction with country-specific adapter

Fast Charger with Micro-USB Charging Cable, 19.5 W, 1.5 m, black

| Connection | Micro-USB-Plug |
|-------------------------------|---|
| Charge Technology | Supports Qualcomm® 3.0 |
| Output Voltage/Output Current | 3,6 - 6,5V/ 3A, 6,5 - 9V/ 2A, 9 - 12V/ 1,5A |
| Max. Output Power | 19.5 W |

- Qualcomm® Quick Charge™ 3.0 technology guarantees extremely fast charging, faster than with conventional charging technologies
- Maximum compatibility: Power Delivery and Qualcomm® Quick Charge™ 3.0 can be used universally, so are suitable for smartphones, tablets and power packs
- Intelligent chip set for safe charging: overloading, excess current and short circuit protection, IC with temperature protection
- Optimized charging process saves the battery thus extending its service life
- Connected devices are automatically recognized and optimally charged
- Sturdy plugs and moulded strain reliefs, high mechanical resistance
- Everything included: charging kit comprising charger and charging cable
- Backwards-compatible with all versions of Qualcomm® Quick Charge™ 3.0 technology
- Max. output power: 19.5 Watts
- For on the go: small and lightweight power supply unit, fits in every bag and hand luggage
- Compact design does not block other sockets
- 100 - 240 V mains connection suitable for worldwide use in conjunction with country-specific adapter

| Max. Output Power | 65 W |

- Choose turbo mode: the fast charger charges many times faster than a conventional charger - charging speed with Power Delivery up to 65 Watt, additionally supports Qualcomm® Quick Charge™
- Perfect for smartphones with high charging power: charge devices at high speed, to 60% in 30 minutes, ideal for devices of the latest generations since these often no longer come with chargers included when purchased
- Perfect for on the go: the ultra-flat quick-charging plug has a fold-away Euro plug that can be retracted into the housing - fits in any handbag or trouser pocket
- Powerful GaN charger: super-efficient with low heat development and all in a compact and lightweight design made possible by components made from gallium nitride
- Ideal for simultaneously and quickly charging several devices via USB-A or USB-C
- Power for three: high-quality multi-way USB charger with three ports for charging three up to devices at the same time, e.g. phone, laptop, tablet or power pack

Charging adapter "USB-C, PD/Qualcomm®, Super Mini Charger, 30W"

| Connection | Euro Plug |
|-----------------------------|--|
| Charge Technology | Power Delivery 3.0, Supports Qualcomm® 3.0 |
| Input Voltage Range from/to | 110-240 V |
| Max. Output Power | 30 W |

- Powerful GaN charger: super-efficient with low heat development and all in a compact and lightweight design made possible by components made from gallium nitride
- Super-compact design, full power: space-saving System-on-Chip design allows an ultra-small and lightweight charger with zero compromises in terms of power
- Optimized charging process saves the battery thus extending its service life
- Intelligent chip set for safe charging: overloading, excess current and short circuit protection, IC with temperature protection
- Perfect for smartphones with high charging power: charge devices at high speed, to 60% in 30 minutes, ideal for devices of the latest generations since these often no longer come with chargers included when purchased
- Maximum compatibility: Power Delivery can be used anywhere, making it ideal for smartphones, AirPods, tablets and power packs
- Supports Qualcomm® Quick Charge™ 2.0/3.0 technology as this guarantees extremely fast charging

Charger Set

hama

Car Charger with Micro-USB Charging Cable, 12 W, 1 m, black

| Connection | Cigarette Lighter Plug, Micro-USB-Plug |
|-------------------------------|--|
| Output Voltage/Output Current | 5V/ 2,4A |
| Max. Output Power | 12 W |

- Intelligent chip set for safe charging: overloading, excess current and short circuit protection, IC with temperature protection
- Charging process optimized for the device which guarantees maximum charging speed
- Optimized charging process saves the battery thus extending its service life
- Sturdy plugs and moulded strain reliefs, high mechanical resistance
- Perfect in the car: small and lightweight charging kit comprising charger for the cigarette lighter socket and charging cable
- Max. output power: 12 Watts

hama

Car Fast Charger with USB-C Charging Cable, PD, 25 W, 1 m, black

| Connection | Cigarette Lighter Plug, USB-C-plug |
|-------------------------------|--|
| Charge Technology | Power Delivery, Supports Qualcomm® 2.0, Supports Qualcomm® 3.0 |
| Output Voltage/Output Current | 3,3 - 5,9V/ 3A, 3,3 - 11V/ 2,25A, 5V/ 3A, 9V/ 2,77A |
| Max. Output Power | 25 W |

- Power Delivery technology guarantees extremely fast charging, up to five times faster than with conventional charging technologies
- Maximum compatibility: Power Delivery can be used anywhere, making it ideal for smartphones, AirPods, tablets and power packs
- Supports Qualcomm® Quick Charge™ 2.0/3.0 technology as this guarantees extremely fast charging
- Highly intelligent Power Delivery chip-set automatically detects connected devices for efficient and optimised charging
- Optimized charging process saves the battery thus extending its service life
- Sturdy plugs and moulded strain reliefs, high mechanical resistance
- Perfect in the car: small and lightweight charging kit comprising charger for the cigarette lighter socket and charging cable
- Smart and safe charging: overcharge, overvoltage and short circuit protection, IC with temperature protection
- Supports Power Delivery and Qualcomm® Quick Charge™ 2.0/3.0 technology
- Max. output power: 25 Watts
- LED function indicator provides information about the device status

| Connection (Output) | USB Type A female/ female, USB-C- coupling |

- The power pack provides an energy boost on the go
- Optimised charging protects the battery and therefore prolongs the lifespan of mobile phones, tablets, etc.
- Certified cells for maximum quality and safe charging: overcharge, over-voltage, overheating and short circuit protection
- Small and lightweight: the mobile charger fits in any pocket and hand luggage
- Maximum compatibility for all mobile phones, tablets and other devices, e.g. smart watch, digital camera or Bluetooth headphones
- One charge of the powerful battery pack is all it takes to use the Samsung Galaxy S21+ for 85 hours longer, for example
- Via the USB-C connection, the power pack is fully charged in 7.5 hours
- Integrated LED display: accurately displays from 1 to 100 per cent how much power is still available
- Input: USB-C
- 3 outputs: 1x USB-C, 2x USB-A

"MagPower4" Wireless Power Pack, 5000 mAh, Inductive Charging for Apple MagSafe

- Wireless power bank provides an energy boost on the go: take photos, write messages or watch videos, just keep using your iPhone while you charge it wirelessly
- The integrated magnetic ring means that the Apple iPhone 15, iPhone 15 Plus, iPhone 15 Pro, iPhone 15 Pro Max, iPhone 14, iPhone 14 Plus, iPhone 14 Pro, iPhone 14 Pro Max, iPhone 13, iPhone 13 mini, iPhone 13 Pro, iPhone 13 Pro Max, iPhone 12, iPhone 12 mini, iPhone 12 Pro, iPhone 12 Pro Max can be easily docked to the power bank and perfectly positioned for efficient charging without any tedious manual alignment
- Inductive charging technology for the wireless charging of compatible smartphones
- Certified cells for maximum quality and safe charging: overcharge, over-voltage, overheating and short circuit protection
- Optimized charging process saves the battery thus extending its service life
- Powerful power bank in mini format: at a slim 9.4 x 6.2 cm, your mobile phone can even be charged in your trouser pocket
- The induction charger works with all original Apple MagSafe products and Hama mobile phone cases with magnetic ring
- Thanks to charge through, you can charge your mobile phone with the power pack while the power bank itself is charging at the same time

„Solid 160 2D“ Mobile Phone Tripod, Travel Tripod, Remote Release, max. 160

| | |
|---------------------------|----------------------------------|
| Thread/Connection | 1/4" (6.4 mm), Smartphone holder |
| Leg Segments | 5 Sections (4x Extendible) |
| Material | Aluminium/Plastic Material |
| Maximum Load | 2000 g |
| Tripod Head | 2-Way Head |
| Type | Tripod |
| Min. Height - Max. Height | 49.5 -160 cm |
| Maximum Profile Thickness | 22.8 mm |
| Weight | 720 g |

- From influencer to video star: the mobile phone and camera tripod offers the perfect height for any content creator - ideal for all online formats including YouTube, Twitch, Instagram, TikTok and more.
- Flexible alternative to large tripods: ideal when things need to move quickly or when there isn't enough space for a large tripod, for example
- Its compact size makes it ideal for travelling, holidays, hikes and outdoor trips
- Tripod:
- Ideal 2D head for smartphones or cameras
- With the combination of the tripod and holder, take blur-free photographs with the smartphone
- Can be used completely folded up as a selfie monopod
- Stepless height adjustment with clamps for fixing to achieve more stability

„Ramble II Duo Carbon“ travel tripod for camera and mobile phone, 170cm

| | |
|---------------------------|-----------------------------------|
| Thread/Connection | 1/4" (6.4 mm), Smartphone holder |
| Leg Segments | 4 Sections (3x Extendible) |
| Material | Carbon |
| Maximum Load | 8000 g |
| Tripod Head | Ball Head with Panoramic Function |
| Type | Mono Tripod/Tripod |
| Min. Height - Max. Height | 46 -160 cm |
| Maximum Profile Thickness | 25 mm |
| Weight | 1620 g |

- The ultra-lightweight carbon travel tripod, including ball head and mobile phone holder, weighs just 1.6 kg so you can always have it at hand – capture every moment perfectly, anywhere
- Simply unfold the legs: The travel tripod with a small packed size of just 45 cm is easy to transport and store – the most compact camera tripod for travel
- To be on the safe side: the lightweight carbon tripod can stably and reliably hold up to 8 kg – including camera or smartphone with mount, microphone or light as well as a safety weight on the central column
- Precise alignment: Ball head with panorama function allows perfect orientation for recording in portrait and landscape – from portrait photography to scenes to landscape images
- Conveniently adjust the ball head: use the friction screw to set how smoothly the ball head can be adjusted. The spirit level shows the exact horizontal alignment

Cover
"Carbon Ultra for Samsung",
Black

| Material | Carbon, Plastic Material |
|----------|--------------------------|
|----------|--------------------------|

- For highest demands in the premium sector the cover is made of one piece
- The scratch-resistant surface is easy to clean when dirty
- The ultra-thin cover made of real carbon is only 0.65 mm thick and therefore very light and hardly noticeable
- For better handling the cover is extra protected by a rubberized layer
- The carbon look gives your smartphone an individual stealth look
- The cover fits perfectly to Samsung Galaxy S23 - so the buttons and ports are not affected in their function
- The protective cover supports wireless charging according to Qi standard
