Smart Home

Light

LED Strip

hama

Neon LED Strips, RGBIC, WLAN, Matter, Dimmable, IP44, Voice/App Control

Colour Temperature	Color light
Max. Lumen	0 lm

- It doesn't matter: with the Matter Smart Home standard, you can connect the LED strips, regardless of the manufacturer, to any Matter-compatible app, such as Alexa, Apple Home, Google Home or Home Assistant - so you can control smart devices around the home with even more convenience
- Smart colour rush: from 16 million colours, choose exactly the one to suit your mood or the occasions - e.g. vibrant orange to start the day or a riot of colour for a party
- Smart play of colours: with the LED light strip, you dive into a new dimension of creative light architecture - design each segment individually in your favourite colours, motley, colour-changing, flashing, as a chaser, dimmed or use the preset scenes
- LED light strip for outdoor use: whether it's a summer party or a Christmas celebration in the garden - with the LED rope light, you can enjoy creative, smart garden lighting even when it's raining or snowing
- This LED strip is flexible: shapes, lines, curves, corners - wrap around your favourite tree or model your favourite shape on the wall and let the light show begin
- Spectacular lighting with the LED decorate lamp for gaming, streaming, youth room: colourful colour changes for a cool atmosphere, the right colour to game by or indirect lighting for chilling out

hama

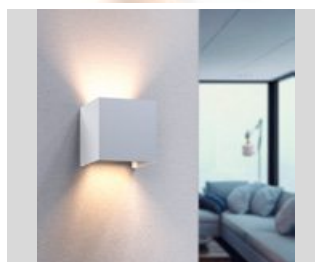

LED Strip, RGBCT, WLAN, Matter, Dimmable, Self-adhesive, Shortenable, 5 m

Attachment	Self-Adhesive
Colour Temperature	2700 - 6500
Max. Lumen	1000 lm

- It doesn't matter: with the Matter Smart Home standard, you can connect the LED strips, regardless of the manufacturer, to any Matter-compatible app, such as Alexa, Apple Home, Google Home or Home Assistant - so you can control smart devices around the home with even more convenience
- Smart colour rush: from 16 million colours, choose exactly the one to suit your mood or the occasions - e.g. vibrant orange to start the day or a riot of colour for a party
- From cosy to active: Choose exactly the colour temperature on the LED light strip that matches your activities, e.g. warm white for a relaxed evening or daylight for cooking
- Accent lighting or discreet illumination: With the LED rope light, you create perfect indirect lighting - soft light for a cosy living atmosphere to feel good in
- Spectacular lighting with LED strips for gaming, streaming, youth rooms: from colourful colour changes for a cool atmosphere to the favourite colour on the bed and wardrobe to the screen with backlighting
- Just cut to size: Shorten the LED light strip at the marked intersections, adjust it to the desired length, glue it on and let the light show commence

Lights, stationary

hama

Lights, stationary "WLAN, square, 10 cm, IP44 for indoors and outdoors"

Light Colour	Warm white to daylight
Frequency Band	2.4
Can be Dimmed	Yes
Power Consumption of an Equivalent Incandescent Lamp	35 W
Voice Assistant	Amazon Alexa (AVS)/ Google Home
Height	100 mm
App Control	Hama Home

- From cosy to active: choose exactly the colour temperature that matches your activities, e.g. warm white for a relaxed evening or daylight for cooking
- Smart LED wall light inside and out: on a balcony, patio and courtyard entrance, the wall light creates the perfect lighting atmosphere just as it does indoors, with protection class IP44, the wall light is protected from splashing water from all directions
- Eye-catcher in an up-and-down design made from high-quality metal: the up-and-down light cones create a very special lighting effect, making the light itself a decorative element
- Smart and clever: with the LED wall light, you can also create various lighting atmospheres manually - the angles of the light cones can be adjusted with metal plates and even closed off, so you can create an up or down effect
- Step by step to the Smart Home: with the Hama Home app, you can expand and network your smart home with any number of Hama Smart Home products

hama

WLAN Garden Light, Garden Spotlight + Ground Spike, Matter, IP65, coloured

Light Colour	Multi-Colour
Can be Dimmed	Yes
Height	155 mm

- It doesn't matter: with the Matter Smart Home standard, you can connect the WLAN light, regardless of the manufacturer, to any Matter-compatible app, such as Alexa, Apple Home, Google Home or Home Assistant - so you can control smart devices around the home with even more convenience
- Scan and go: see how easy a smart home can be - scan the QR code with a smartphone and the smart lamp is automatically incorporated into the Matter smart home
- Weatherproof outdoor lamp: whether it be a summer party or a Christmas celebration in the garden, with the garden spotlight you can enjoy this atmospheric, smart garden lighting in rain and snow thanks to the IP65 protection class, which protects against water jets from all directions
- Light where you want it: the angle of the garden spotlight can be adjusted anywhere on the joint of the ground spike, as well as the mounting base, to magically illuminate the crowns of trees, light up garden paths or create accents on the garden wall
- The perfect position on the lawn, in flower beds and in pots: with the ground spike, you can pop the garden spotlight into any loose soil and let your garden shine

Light Chain

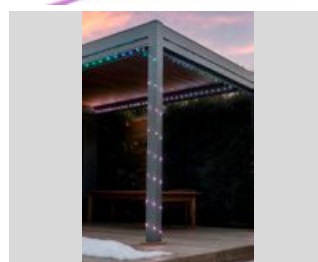

hama

Smart LED Light Chain, WLAN, Colour Chg, Dimm., Outdoor IP44, Colour Changing, 8 m

Number of Lamps	12
Cable Length	8 m
Distance between LED	50 cm
Length of supply line	300 cm

- With the LED light chain, you can immerse yourself in a new dimension of creative lighting architecture - colourful, alternating colours, flashing, chasing lights - everything is possible with the 30 pre-set scenes
- Screw the LED light chain to another light chain and enjoy the light show in XXL
- For a BBQ evening or garden party: on a balcony, a patio and in a courtyard, the outdoor wall light chain creates the perfect lighting atmosphere - with protection class IP44, the LED light chain is protected from splashing water from all directions
- Our smart light chain works without any gateway (hub): you don't need an additional device, and you save on extra costs since the light chain establishes a direct WiFi connection with the router
- Be it on the sofa or the train: with the Hama Home app, you can control the LED light chain from anywhere and you have control over your lighting at all times
- Whether it be Amazon Alexa, Google Assistant or Apple Siri: conveniently control all kinds of lighting effects via the smart light chain using voice commands

Black	00176636
20	HB

hama

Smart LED Light Chain, WLAN, Colour Chg, Dimm., Outdoor IP65, 10 m, colours

Number of Lamps	100
Cable Length	11.5 m
Distance between LED	9 cm
Length of supply line	150 cm

- Smart play of colours: with the LED light strip, you dive into a new dimension of creative light architecture - design each segment individually in your favourite colours, motley, colour-changing, flashing, as a chaser, dimmed or use the 44 preset scenes
- Creative explosions of colour: colourful, happy hippy flair or your personal feel-good colours - the intelligent RGBIC chip allows the light chain to shine brightly in multiple colours at the same time
- Pillars, balustrades, balconies or Christmas trees: the flexible light strip can be wound around all outdoor elements, decorations and planted areas in the garden, and can also be secured indoors
- Smart colour rush: out of 16 million colours, choose exactly the one you want for your mood or occasion and bathe your trees and balcony in your favourite colour with the outdoor light chain, choose cheerful changing colours for a party or dim the light chain to create cosy garden lighting
- Waterproof outdoor light chain: whether it be a summer party or a Christmas party, with the LED light chain you can enjoy this atmospheric, smart garden lighting in rain and snow thanks to the IP65 protection class, which protects against water jets from all directions

Gateway

Smart Home Hub, Matter, Zigbee, Thread, for Voice/App Control

hama

Shade of colour	White
Connection	RJ45 (8p8c)-Coupling

- It doesn't matter: with the Matter Smart Home standard, you can connect the hub and the devices connected to it regardless of the manufacturer, to any Matter-compatible app, such as Alexa, Apple Home, Home Assistant or Google Home - so you can control smart devices around the home with even more convenience
- Intelligent interface for a smart home: with the hub, you can integrate not only Hama products that require a hub, but also devices supporting various wireless standards such as Matter, Zigbee or Thread into your smart home system and connect them to each other
- Integrate Matter devices into your Hama Smart Home: the Smart Home Hub serves as a Matter controller and guarantees that you can integrate all Matter-certified devices, including those from other manufacturers, into the Hama Home app
- Integration of different wireless systems into the home network: smart hub translates wireless standards such as Zigbee or Thread so that battery-powered devices are integrated into

- your WLAN but can use a much more economical connection
- Connect directly to the router: connect the smart home controller to the local network via a LAN interface, for example on the router, and supply it with power via USB-C without blocking other sockets
- Scan and go: see how easy a smart home can be - scan the QR code with a smartphone and the hub is automatically incorporated into the Matter smart home
- Whether it be the sofa, beach bed or office: with the Hama Home app or voice commands through Amazon Alexa, Google Assistant or Apple Siri, you can control your smart devices from anywhere
- Step by step to the Smart Home: with the Hama Home app, you can expand and network your smart home with any number of Hama Smart Home products

Wireless Switch Modul

hama

WiFi Retrofit Switch for Lights and Sockets, Flush Installation

Operating Voltage	230 V
W x H x L	4.7 x 1.7 x 5.2 cm

- Lights: The module is connected to your light's power supply, which can be in the cabling behind the existing light switch, in a junction box or at the base of the light
- Sockets: The module is mounted behind the socket
- Can be used for all switch systems since the existing switch is retained
- WiFi module for integration into your own WiFi network via the free "Hama Home" app
- Control via free app or optionally via "Amazon Alexa" and "Google Assistant" voice control
- Also controllable on the move via the app, keeping you in full control
- High compatibility: works with Amazon Alexa, Google Assistant, Siri Shortcuts, iOS and Android. Can also be connected to all Alex and Google Assistant-compatible smart home products from other manufacturers
- Supports timed control
- Works without gateway/bridge
- No dimming function
- Operating system: Android 8.1 and iOS 16.1 or later

- Scan the QR code and the smart lamp is automatically integrated into the Matter smart home
- Choose exactly the right colour for every mood or occasion from 16 million colours or set a colour change
- Control the smart home light bulb from anywhere thanks to the Hama Home app
- Conveniently control all kinds of lighting effects via voice control with the smart lamp using all Matter-compatible voice assistants
- Expand and network your smart home with any number of Hama smart home products using the Hama Home app
- No additional device required, as the LED lamp establishes a direct Wi-Fi connection to the router
- Simple installation on your own WiFi network without a hub
- Use the app to create different light scenarios: such as variable dimming or daylight for cooking or working

**Smart Lamp GU10, 4.9 W,
LED, Matter, Reflector,
RGBW, Dimmable, with App**

Colour Reproduction Index RA (min.)	80
Light Colour	RGBTW
Can be Dimmed	Yes
Colour Temperature	2700 - 6500 K
Design / Diameter / Height	Reflector PAR51 / 50 mm / 55 mm
Lamp socket	GU 10
Power Consumption of an Equivalent Incandescent Lamp	40 W

- It doesn't matter: with the Matter Smart Home standard, you can connect the WLAN light, regardless of the manufacturer, to any Matter-compatible app, such as Alexa, Apple Home, Google Home or Home Assistant - so you can control smart devices around the home with even more convenience
- Scan and go: see how easy a smart home can be - scan the QR code with a smartphone and the smart lamp is automatically incorporated into the Matter smart home
- Smart colour rush: from 16 million colours, choose exactly the one to suit your mood or the occasions - e.g. vibrant orange to start the day or a riot of colour for a party
- Be it on the sofa or the train: with the Hama Home app, you can control the smart light bulb from anywhere and you have control over your lighting at all times
- Whether it be Amazon Alexa, Google Assistant, Apple Siri or any other: conveniently control all kinds of lighting effects via voice control with the smart lamp using all Matter-compatible voice assistants

Smart Home

Electric

Radio Socket

ELECTRIC

Smart WLAN Socket, Matter, 3680 W, Voice/ App Control, Pack of 3 **hama**

Shade of colour	White
Range	0 m
Maximum Load	3680 W
Number of Radio Sockets	3

- It doesn't matter: with the Matter Smart Home standard, you can connect the WLAN socket, regardless of the manufacturer, to any Matter-compatible app, such as Alexa, Apple Home, Google Home or Home Assistant - so you can control smart devices around the home with even more convenience
- Scan and go: see how easy a smart home can be - scan the QR code with a smartphone and the WLAN socket is automatically incorporated into the Matter smart home
- Programmable smart home socket = timer: you can switch light chains, standard lamps, TVs, etc. on and off at your preferred times or even match them with the sunrise or sunset - simply set up via the app and never have to think about it again
- Save energy the smart way: with the smart socket, you can specifically control your electrical devices either through automation in the app or spontaneously from wherever you are, ensuring you only use that power when it's needed
- Whether it be the sofa, beach bed or office: with the Hama Home app or voice commands through Amazon Alexa, Google Assistant or Apple Siri, you can control the smart socket more conveniently from anywhere than with a radio remote control
- Powerful, intelligent socket: suitable for all devices up to 3680 Watts - whether they be decorative lighting, fans or entertainment electronics
- Space-saving and intelligent: the extremely compact design of the Smart socket integrates perfectly in confined spaces, since the space-saving construction does not cover any adjacent or sockets
- Our WLAN socket works without any gateway (hub): you don't need an additional device, and you save on extra costs since the socket establishes a direct WiFi connection to the router

Gateway

Smart Home Hub, Matter, Zigbee, Thread, for Voice/App Control

hama

Shade of colour	White
Connection	RJ45 (8p8c)-Coupling

- It doesn't matter: with the Matter Smart Home standard, you can connect the hub and the devices connected to it regardless of the manufacturer, to any Matter-compatible app, such as Alexa, Apple Home, Home Assistant or Google Home - so you can control smart devices around the home with even more convenience
- Intelligent interface for a smart home: with the hub, you can integrate not only Hama products that require a hub, but also devices supporting various wireless standards such as Matter, Zigbee or Thread into your smart home system and connect them to each other
- Integrate Matter devices into your Hama Smart Home: the Smart Home Hub serves as a Matter controller and guarantees that you can integrate all Matter-certified devices, including those from other manufacturers, into the Hama Home app
- Integration of different wireless systems into the home network: smart hub translates wireless standards such as Zigbee or Thread so that battery-powered devices are integrated into your WLAN but can use a much more economical connection
- Connect directly to the router: connect the smart home controller to the local network via a LAN interface, for example on the router, and supply it with power via USB-C without blocking other sockets
- Scan and go: see how easy a smart home can be - scan the QR code with a smartphone and the hub is automatically incorporated into the Matter smart home
- Whether it be the sofa, beach bed or office: with the Hama Home app or voice commands through Amazon Alexa, Google Assistant or Apple Siri, you can control your smart devices from anywhere
- Step by step to the Smart Home: with the Hama Home app, you can expand and network your smart home with any number of Hama Smart Home products
- Easily automate with the Hama Home app: automatically switch devices on and off using schedules and conditions such as weather or temperature

Wireless Switch Modul

hama

WiFi Retrofit Switch for Lights and Sockets, Flush Installation

Operating Voltage	230 V
W x H x L	4.7 x 1.7 x 5.2 cm

- Lights: The module is connected to your light's power supply, which can be in the cabling behind the existing light switch, in a junction box or at the base of the light
- Sockets: The module is mounted behind the socket
- Can be used for all switch systems since the existing switch is retained
- WiFi module for integration into your own WiFi network via the free "Hama Home" app
- Control via free app or optionally via "Amazon Alexa" and "Google Assistant" voice control
- Also controllable on the move via the app, keeping you in full control
- High compatibility: works with Amazon Alexa, Google Assistant, Siri Shortcuts, iOS and Android. Can also be connected to all Alex and Google Assistant-compatible smart home products from other manufacturers
- Supports timed control
- Works without gateway/bridge
- No dimming function
- Operating system: Android 8.1 and iOS 16.1 or later

				00176556

Smart Home

Safety

Smart Garage Door Opener, Wi-Fi, with Sensor, Control via App/Voice Command

- Whether from the car, with your shopping in your hand or at home: with the Hama Home app or voice command via Amazon Alexa, Google Assistant or Apple Siri, you can open and close your garage door from anywhere
- Always stay in the know: every time the garage door opens and closes, the garage door opener sends push notifications if required via the app to the mobile phone, providing warnings too of unwanted opening
- Easily automate with the Hama Home app: automatically open and close the garage gate based on schedules and conditions such as the weather or temperature and avoid mould through regular ventilation, for example
- Open and close the garage door via the mobile phone position: the door opens as soon as the mobile phone approaches a specific area and closes as soon as it leaves it
- Our garage door control works entirely without a gateway (hub): you don't need an additional device, and you save on extra costs since the garage door control establishes a direct WiFi connection with the router
- The easy way to the smart control of the door drive: simply retrofit the system by connecting the garage door control to your existing garage door motor
- Step by step to the Smart Home: with the Hama Home app, you can expand and network your smart home with any number of Hama Smart Home products

WiFi Motion Detector

- Infra-red motion detector for integration into your own WiFi network via the free "Hama Home" app
- Works without gateway/bridge
- Can be used as an alarm or to switch on lights, for example
- Integrated manipulation protection (vibration detection)
- Push notifications for alarm messages and low battery status
- Very low consumption
- Voltage supply via two batteries (CR123A) or the built-in micro-USB socket (operation only, no battery charging possible)
- Can be mounted almost anywhere
- Operating system: Android 8.1 and iOS 16.1 or later

Smart Motion Detector, Zig- bee, Push Notification, App

- Step by step to the Smart Home: with the Hama Home app and motion detector, lots of automation devices can be programmed for a secure and comfortable home with other smart home products, e.g. with a smart alarm siren, WLAN lamp, surveillance camera
- Whether it be the sofa or the sun lounger: you have control over your home anytime and anywhere and receive push notifications via the Hama Home app as soon as the motion detector detects movement
- Easy automation with the Hama Home app: combine a smart motion detector with a separate siren, for example, or only activate it at certain times
- Infra-red motion detector for integration into your own WiFi network via the free "Hama Home" app
- Gateway required: simply add via the Hama Smart Home hub (item No. 00176637) or central control unit on the Hama heating control
- High compatibility: works with Amazon Alexa, Google Assistant, Siri Shortcuts, iOS and Android. Can also be connected to all Alex and Google Assistant-compatible smart home products from other manufacturers
- Can be used as an alarm or to switch on lights, for example
- Integrated manipulation protection (vibration detection)
- Push notifications for alarm messages and low battery status
- Very low consumption

Motion Detector, Smart, Zigbee, App Control, Push Notifications

- Expand and network your smart home with any number of Hama smart home products using the Hama Home app
- Control the smart motion detector from anywhere thanks to the Hama Home-App
- Combine motion detectors with a siren, for example, or only activate them at certain times
- Motion detector for integration into in-house network via "Hama Home" app
- Gateway required: add via Hama Smart Home hub (item No. 00176637) or central control unit on the Hama heating control
- Works with Amazon Alexa, Google Assistant, Siri Shortcuts, iOS and Android. Can also be connected to all Alex and Google Assistant-compatible smart home products from other manufacturers
- Can be used as a warning detector or for lighting
- Integrated manipulation protection (vibration detection)
- Push notifications for alarm messages and low battery status
- Very low consumption
- Voltage supply via a battery (CR123A)
- Can be mounted almost anywhere
- Operating system: Android 8.1 and iOS 16.1 or later

Door/Window Interface

hama

Smart Home Window Contact, for Doors, Windows, Garages, Zigbee, Magnetic

Attachment	Adhesive Pad, Screw-On Mounting
Battery Type	AAA Micro
Number of Batteries	2
Power Supply	Batteries

- Smart window contact, smart heating control If the window sensor is linked to a smart heating thermostat via an automation device, the heating is turned down as soon as you open a window - saving you heating costs and keeping your CO2 footprint smaller too
- A healthy indoor climate with the door and window sensor: prolonged shock ventilation and a chilly apartment are a thing of the past with the contact sensor, since the app reminds you after a defined time that windows and doors are still open
- There's nobody there, but the door or window opens: with the window alarm, nobody can make their way into your home unnoticed since, as soon as something happens with a window or door, you get a push notification on your mobile phone or the siren linked to it starts to sound
- Step by step to the Smart Home: with the Hama Home app and window contact, lots of automation devices can be programmed for a secure and comfortable home with other smart home products, e.g. with a smart alarm siren, WLAN lamp, surveillance camera

White	00176663
10	HB

hama

Window Contact, Smart, Zigbee, for Doors, Windows, Garages, Magnetic

Attachment	Adhesive Pad, Screw-On Mounting
Battery Type	AAA Micro
Number of Batteries	2
Power Supply	Batteries

- Whether it be the sofa or the sun lounger: with the Hama Home app, you can check the status of windows, doors and more from anywhere, ensuring you have complete control over your home at all times
- For integration into in-home networks via the "Hama Home" app
- Simply add it via the existing Hama Smart Home hub or Hama heating central control unit
- Create groups or scenes, e.g. in combination with a smart LED lamp
- Easily attach to the door or window frame using the enclosed adhesive pads; both parts of the window contact are magnetic
- Can be extended with any number of contact sensors
- Low consumption: battery life of around 2.5 years
- Power supplied by batteries
- Operating system: Android 8.1 and iOS 16.1 or later

White	00176696
48	HB

Water Detector

hama

Smart Water Detector, Zigbee, 80dB, with Sound and Push Notification

Shade of colour	White
Attachment	Adhesive Pad
Loudness	80 dB
Material	Plastic Material
Battery Type	AAA Micro, 1.5V
Number of Batteries	2
Power Supply	Batteries

- The water detector alerts you via an 80-decibel siren or push notification on your mobile phone as soon as an unwanted water level is reached
- Whether it be the sofa, beach bed or office: with the Hama Home app or voice commands through Amazon Alexa, Google Assistant or Apple Siri, you can control your smart devices from anywhere
- Thanks to low power consumption, a battery life of up to three years is possible - the app automatically informs you when the battery is low
- Easy automation with the Hama Home app: in combination with a separate siren in another room, for example, trigger an alarm when a certain water level is reached
- Step by step to the Smart Home: with the Hama Home app, you can expand and network your smart home with any number of Hama Smart Home products
- Water detector for integration into your own WiFi network via the free "Hama Home" app
- Informs about unwanted water levels
- Simply integrate into your network via the existing Hama Smart Home hub (00176637) or the Hama heating control centre (00176593)

WLAN Camera

hama

WLAN Camera "outdoor, recording, night vision, 1080p"

Frequency Range	2.4 GHz
Resolution	1920 x 1080 (Full HD)
Wireless Encryption	WPA2

- WLAN surveillance camera responds to movements: if the camera detects movement, you can be notified via push notification or automatically trigger recording
- Detailed images in the dark: during the night, infra-red night vision means you can still rely on camera surveillance
- Communication from anywhere: the microphone and speaker allow contact via the WLAN camera and smartphone or tablet, like an intercom system
- Razor-sharp images: whoever is creeping around your property, with images from the outdoor camera in Full HD 1080p, you'll spot everything and everyone
- More local memory completely without the cloud thanks to the microSD card slot: memory cards of up to 128 GB offer plenty of space for extensive video recordings
- Whether it be the sofa or the sun lounger: with the Hama Home app and WLAN camera, you have control over your property, garden and front door at all times, no matter where you are
- Whether it be Amazon Alex, Google Assistant or Apple Siri: easily display the live image from the WLAN outdoor camera on devices with a screen using voice controls

White	00176645

12	HB

hama

Surveillance Camera with Light and Motion Detector, WLAN, for Outdoors, 1080p

Frequency Range	2.4 GHz
Resolution	1920 x 1080 (Full HD)
Wireless Encryption	WPA2

- Our surveillance camera works entirely without a gateway (hub) via a direct Wi-Fi connection: you do not need an additional device and save additional costs
- Whether it be the sofa or the sun lounge: with the Hama Home app and WLAN camera, you have control over your property, garden and front door at all times, no matter where you are
- Whether it be Amazon Alexa or Google Assistant: simply display the live image from the WLAN outdoor camera on devices with a screen using voice controls
- WLAN surveillance camera responds to movements: if the camera detects movement, you can be notified via push notification, automatically trigger recording or switch on the integrated floodlight
- Outdoor camera for day and night: the integrated floodlight replaces and improves the existing outdoor lighting with its powerful effect - also allowing even more detailed surveillance of yards, gardens, plots of land and stables
- Detailed images in the dark: during the night, infra-red night vision means you can still rely on camera surveillance as it works independently of the integrated light

Black				00176614
	8	SC		

hama

Surveillance Camera, WLAN Outdoor Camera, Rechargeable Battery, Solar, Reco

Frequency Range	2.4 GHz
Maximum hardware resolution	1920 x 1080 Pixels
Resolution	1920 x 1080 (Full HD)
Wireless Encryption	WPA2

- Keep an eye on even remote corners thanks to solar power: when the outdoor camera is powered via the solar module, virtually autonomous operation is possible, making it ideal for places that are not often visited, such as barns and stables
- Wireless and straightforward: camera surveillance without tiresome power cable routing - with a battery life of four months, this is ideal for monitoring hard-to-access or rarely-visited areas
- WLAN surveillance camera responds to movements: if the camera detects movement, you can be notified via push notification, automatically trigger recording or switch on a WLAN light, for example
- Detailed images in the dark: during the night, infra-red night vision means you can still rely on camera surveillance
- Always track what's happening in front of the camera: when movement is detected, video recording starts automatically - either save locally to micro-SD cards up to 128 GB or to a chargeable cloud account, ensuring no recorded material is lost
- 2-way audio: a microphone and speaker allows communication via the WLAN outdoor camera, e.g. over a mobile phone with the postman, even when you're not at home

hama

Smart surveillance camera, indoor, recording, pivotable

Frequency Range	2.4 GHz
Maximum hardware resolution	1920 x 1080 Pixels
Resolution	1920 x 1080 (Full HD)
Wireless Encryption	WPA2

- With the razor-sharp images in Full HD 1080p, you will recognise everything and everyone
- The indoor camera can be swivelled and tilted using the app, keeping you up to date with what's going on in the space at all times
- Control the smart surveillance camera from anywhere thanks to the Hama Home app
- Motion detectors can distinguish between humans and other entities and can be set accordingly
- Enables detailed recordings in the dark
- Activate private mode if you do not want the WLAN camera to film or record
- Memory cards up to 128 GB offer sufficient space for extensive video recordings
- Easily display the live image from the WLAN camera on devices with a screen using voice controls
- Expand and network your smart home with any number of Hama smart home products using the Hama Home app
- No additional device required, as the camera establishes a direct Wi-Fi connection to the router
- Easy installation in just a few minutes into your own WiFi network

Gateway

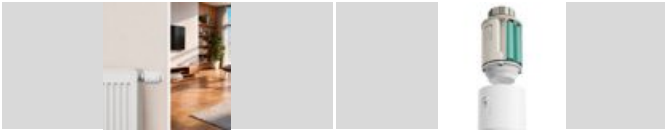

Smart Home Hub, Matter, Zigbee, Thread, for Voice/App Control

hama

Shade of colour	White
Connection	RJ45 (8p8c)-Coupling

- It doesn't matter: with the Matter Smart Home standard, you can connect the hub and the devices connected to it regardless of the manufacturer, to any Matter-compatible app, such as Alexa, Apple Home, Home Assistant or Google Home - so you can control smart devices around the home with even more convenience
 - Intelligent interface for a smart home: with the hub, you can integrate not only Hama products that require a hub, but also devices supporting various wireless standards such as Matter, Zigbee or Thread into your smart home system and connect them to each other
 - Integrate Matter devices into your Hama Smart Home: the Smart Home Hub serves as a Matter controller and guarantees that you can integrate all Matter-certified devices, including those from other manufacturers, into the Hama Home app
 - Integration of different wireless systems into the home network: smart hub translates wireless standards such as Zigbee or Thread so that battery-powered devices are integrated into your WLAN but can use a much more economical connection
- Connect directly to the router: connect the smart home controller to the local network via a LAN interface, for example on the router, and supply it with power via USB-C without blocking other sockets
 - Scan and go: see how easy a smart home can be - scan the QR code with a smartphone and the hub is automatically incorporated into the Matter smart home
 - Whether it be the sofa, beach bed or office: with the Hama Home app or voice commands through Amazon Alexa, Google Assistant or Apple Siri, you can control your smart devices from anywhere
 - Step by step to the Smart Home: with the Hama Home app, you can expand and network your smart home with any number of Hama Smart Home products
 - Easily automate with the Hama Home app: automatically switch devices on and off using schedules and conditions such as weather or temperature

Regulator for Radiators

Smart Radiator Thermostat, Matter, Thread, Voice/App-Controlled

hama

Shade of colour	White
Adapter	Caleffi, Danfoss RA, Danfoss RAV, Giacomini

- It doesn't matter: with the Matter Smart Home standard, you can connect the WLAN heating thermostat, regardless of the manufacturer, to any Matter-compatible app, such as Alexa, Apple Home, Google Home or Home Assistant - so you can control smart devices around the home with even more convenience
 - Scan and go: smart homes can be this easy - scan the QR code with your smartphone and the radiator thermostat is automatically integrated into a Thread network with the Hama Smart Home Hub
 - The easy route to smart heating control: replace the previous radiator control with the Smart Home radiator thermostat
 - Heating control the way you want it: with the Smart Home heating control and automatic programmes, you can create your own personal heating scenarios - and conveniently save on heating costs
 - Change the settings whenever you like: you can readjust the smart heating control from anywhere, e.g. turn the home heating up from the office when you've got an early finish
- Smart and sleek: the compact shape with its discreet design blends in harmoniously and unobtrusively into any living space
 - Step by step to the Smart Home: with the Hama Home app, you can expand and network your smart home with any number of Hama Smart Home products
 - At home or on the train: with the Hama Home app and Smart Home radiator thermostats, you have control over your heating at all times, no matter where you are
 - Whether it be Amazon Alexa, Google Assistant or Apple Siri: conveniently control all kinds of heating scenarios via the smart thermostats and voice commands
 - Simple setup: ready to use in just a few minutes
 - Gateway required: simply add via the Hama Smart Home hub

Smart underfloor heating thermostat, flush-mounted, control via app/voice

hama

Shade of colour	White
-----------------	-------

- Heating control the way you want it: with the in-room thermostat for underfloor heating, you can set up customised heating scenarios using automatic programmes - from a feel-good temperature to the schedule for every weekday, allowing you to conveniently save on heating costs
- Step by step to the Smart Home: with the Hama Home app, you can extend your smart home with any number of Hama Smart Home products and network them, e.g. with a window contact, to save even more energy
- Settings at a glance: the illuminated wall thermostat allows all the key data to be read easily and if you don't happen to have your mobile phone handy, you can also control the heating directly on the LCD display
- At home or on the train: with the Hama Home app and in-room thermostat, you can control your underfloor heating and change its settings at will from anywhere and whenever you wish
- Whether it be Amazon Alex, Google Assistant or Apple Siri: conveniently control the Smart Home underfloor heating via voice command, e.g. increase or lower the temperature

- The easy way to control the underfloor heating the smart way: either retrofit it by replacing the existing in-room thermostat with the Smart Home thermostat or integrate it directly during a new-build or renovation project
- Smart and sleek: the compact shape with its discreet design blends in harmoniously and unobtrusively into any living space
- Suitable for hot water-led underfloor heating systems with NO and NC actuators and hot water boilers, connection option for 2-phase actuators and an external temperature sensor
- Large LCD wall display with 5 buttons, backlighting during operation
- Simple installation on your own WiFi network: since no hub is required, your devices can be set up in just a few minutes

Kitchen Timer

hama

**Visual Kitchen Timer with
Magnet, Mechanical, Egg
Timer 60 Min, silver/blk.**

Display	Analogue
---------	----------

Maximum Time Interval	60 Min.
Width	32 mm
Battery Type	None

- At a glance: The visual timer has a progress indicator; as time passes, the baking timer approaches zero on the timeline - for quick information without constant checking
- A good thing: The red area on the kitchen timer shows the remaining time and catches the eye even at a distance of several metres - this saves time, effort and nerves while waiting
- Mount in the field of view: Place the timer with a magnet exactly where you can see it - on the fridge, cooker hood or magnetic board
- The kitchen timer stays ready at hand: high-quality, durable housing with stainless steel - even a little flour or splashes of water won't affect the kitchen timer
- Alarm on request: wind up completely once and only then turn back to the desired number of minutes - without winding up completely, the egg timer displays the remaining time in the same way, only without an alarm tone at the end
- Baking timer with loud signal tone: once eggs, casseroles or cakes are ready, the timer is clearly noticeable even over loud cooking noises and extractor hood sounds
- Set in a jiffy: intuitive time setting with turning mechanism, turn fully once and then turn back to the desired number of minutes
- To switch it off, simply reset to zero

Baking/Roast Thermometer

hama

Meat Thermometer, Digital, for Grill/Oven/Cooking, with Cable Sensor

Display	Digital
Measuring Range	-10°C to +250°C
Usage	Drinking Temperature, Oven, Roast Temperature

- Stainless steel probe with heat-resistant cable: The stainless steel probe measures the internal temperature of food directly during cooking, baking, grilling or boiling
- Precisely cooked: The desired target temperature can be individually set with the meat thermometer to prevent overcooking - the acoustic alarm reliably signals when the temperature is reached or exceeded
- Suitable for food and drinks such as roasts, steaks, cakes, vegetables, soups, wine, tea or baby food – a cooking thermometer for many applications in the kitchen
- Temperature always in view: The sturdy housing can be positioned using a magnet, hanging loop or stand - so the display of the roasting thermometer remains clearly visible at all times
- Thanks to the 1-metre-long cable, the measuring part of the kitchen thermometer remains outside of the oven or grill - simply push the stainless steel probe (160 mm) into the food
- Can be used as a timer or thermometer, adjustable countdown and count-up timer up to a maximum of 99 minutes and 59 seconds
- Suitable for continuous operation, e.g. the entire cooking time (insert the probe in the oven guide the measuring body out)

			00002947
	22	HB	

hama

Meat Thermometer, Digital, for Grill/Oven/Cooking

Display	Digital
Measuring Range	-30°C to +250°C
Usage	Drinking Temperature, Roast Temperature

- Suitable for food and drinks such as roasts, steaks, cakes, vegetables, soups, wine, tea or baby food – a cooking thermometer for many applications in the kitchen
- Everything at a glance: extra-large display shows the measured temperature clearly and concisely
- Temperature indicator: use the Hold button to block it so you can read the measured core temperature regardless of oven heat
- For every angle: No matter what the viewing angle, the VA display always offers the best views with high contrast
- Long stainless steel probe (14 cm), ideal for large roasts too
- Point-accurate cooking of roasts, steaks or cakes with the ideal core temperature thanks to 0.1° increments
- Rapid response time
- Automatic switch-off after 5 min
- Also ideal for baby bottles
- Can be switched between degrees Celsius and degrees Fahrenheit

- Technical data:
- Measuring range: -30°C to 250°C (-22°F to +482°F)
 - Measuring range deviation: 0°C/100°C = +/-1°C; 0 to -20°C = +/- 2°C, 101°C/150°C = +/- 2°C, 151- 200°C = +/- 3°C, 201°C/250°C = +/-5°C
 - Response time: 0.5 seconds

hama

22 cm microwave cover, size S, tall, splatter protection cover, breakproof

Temperature Range	-30°C to 110°C
Diameter	22 cm
Height	10.3 cm

- Make use of the room for improvement: The microwave hood is high enough for deep plates and flat bowls, so that even large crockery fits under the lid — up to a vessel height of 10 cm
- Everything goes faster: The microwave hood reduces the size of the cooking space, retains the heat under the lid and ensures even heating
- Venting with Valve: Steam vents in the centre of the microwave cover prevent excess pressure
- Wide handle and central steam openings prevent burns when removing the microwave lid: patented X-design for safe handling and greater convenience
- Reliable splatter protection lid for the microwave interior: Even if the food splatters due to the heat, the device stays clean — less cleaning, more enjoying
- Easy to clean: The protective lid is dishwasher-safe
- The cover for the microwave is drop- and breakproof: one less worry in your everyday life with kids and pets
- Cover leftovers or use as a cheese dome: The microwave cover is also suitable to protect against flies, etc.; perfect if you cooked too much

Storage Bag

hama

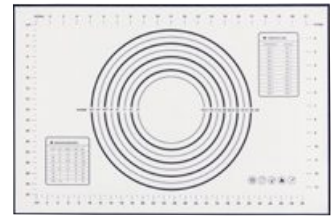

Toast Pockets, Reusable, for Sandwiches in the Toaster, 2 Sizes, 4 Pcs

Material	Plastic
----------	---------

- Toast pouches in two sizes: from mini sandwiches to pizza slices and chicken nuggets to XXL toast - simply choose the right size for your snack
- Versatile sandwich bags: suitable for toaster, microwave, sandwich maker and contact grill — pairs well with every favourite snack and any kitchen equipment
- Set of 4 with two sizes: 2 pieces, each measuring 16 cm x 17.5 cm and 20 cm x 25 cm
- Keep the toaster and grill clean: crumbs, cheese, etc. stay in the pocket
- Easy cleaning by hand or in the dishwasher: Toast pocket can be turned inside out
- Perfect for healthy snacks between meals: no added fat required thanks to non-stick coating
- The toaster pockets are heat-resistant to 260°C
- Suitable for all common toasters
- Tip for coeliac disease sufferers: the toast pockets can be used to keep gluten-free bread away from any crumbs in the toaster, thereby avoiding the risk of cross-contamination
- Ideal for holidays, business trips, etc., for intolerance sufferers
- Food safe

Mat

hama

Baking Mat, Silicone Roll-Up Mat f. Dough, Surface w. Size Markers, 60x40cm

Shade of colour	Black, White
Material	Glass Fiber (Teflon coating), Plastic

- The natural non-stick effect of the silicone baking mat makes the dough easier to edit, requires less flour for dusting, and allows biscuits and the like to be removed more easily
- Remains in place: Thanks to the special coating on the underside, the baking mat is non-slip and makes every work step easier, from kneading and dividing to rolling out the dough
- Convert units easily: The large baking tray comes with lots of practical measurements and conversion aids - for quantity, length, diameter and temperature
- Heat-resistant up to 230 °C: The silicone baking mat can even withstand the baking process itself—the dough can remain on the mat
- Ideal dough surface for the entire baking process, from mixing to decorating
- Perfect for dough-based goods of all kinds that need a delicate touch - e.g. focaccia, pretzels, croissants, icing and marzipan
- Saves space: simply roll the baking mat up for storage
- Easy to look after: quick and easy to clean under running water or in the dishwasher
- Integrated cheat sheet: no more long-winded conversions of foreign-language recipes
- Length markers on the short and long side: cm and inches
- Quantity measures in a summary table: cups, ounces, tablespoons, teaspoons, millilitres

60 x 40 x 0.1 cm	00002911
	60 HB

Oven Protector Foil, Reusable, Teflon® Non-Stick Coating, 40 x 48 cm

- Say goodbye to dirt: instead of laboriously cleaning burnt-on food from the oven, simply place oven protection foil on the bottom and rinse with soapy water after baking
- Can be trimmed to size, therefore suitable for every oven and microwave
- Heat-resistant to 260°C
- Oven protector foil for top and bottom-heat as well as fan ovens
- No more tedious and time-consuming cleaning of the oven floor

Reusable Bkg P'ment, Custom. Reusable Bkg Mat, up to 260°C, 44x33 cm, 2 Pcs

- Thanks to the natural non-stick effect of the reusable baking mat, there is no need to grease it – biscuits and the like are easier to remove
- Whether above or below: Both sides of the long-lasting non-stick baking foil can be used – simply insert and you're done
- Avoids waste: unlike single-use baking parchment, the reusable baking parchment made from fibreglass with a non-stick coating can be reused many times over
- High-quality non-stick baking parchment: no burnt-on food, no degreasing required
- Size suitable for standard baking sheets and grill racks, can be easily cut to size, e.g. for smaller sheets, loaf pans or air fryer liners
- Can be used anywhere: for electric and gas ovens, and can also be used in the microwave and air fryer
- The baking parchment is heat-resistant to 260°C
- Simply roll up the reusable baking parchment for storage
- Easy to look after: quick and easy to clean under running water or in the dishwasher
- Food-safe fibreglass material

Silicone Muffin Moulds, Reusable, Set of 12, blue, beige & apricot

- Now Colour comes into play: the colourful silicone moulds not only look good but also make it easier to distinguish between different types of dough, e.g. sugar-free, gluten-free, vegan
- The silicone muffin moulds are suitable for air fryers, ovens, microwaves and refrigerators
- Made from food-safe silicone
- Heat-resistant to around 230°C
- Suitable for dishwashers, making cleaning the silicone muffin mould especially easy
- Flexible yet form-stable material for easy release of the finished cupcakes
- The non-stick coating on the silicone muffin mould means no greasing is required
- Stackable to save space
- In three different colours
- For baking and serving

Silicone Mould for Air Fryer, Reusable, Square

- Protects the oven cavity: Food is cooked in the separate liner, while the basket of the air fryer remains clean
- Practical size: the non-stick insert is suitable for all commercially available air fryers
- Well-thought-out handling: The liner can be easily removed from the air fryer and makes portioning, serving and cleaning noticeably easier
- Silicone liner for use in the air fryer, oven, microwave or refrigerator
- Made from food-safe, high-quality platinum silicone
- Heat resistant to around 250°C and cold-resistant to around -40°C
- Reusable and suitable for dishwashers
- Protects the air fryer drawer from grease and residues
- Non-stick effect allows preparation without additional oil
- Grooved structure supports the circulation of air in the air fryer
- With handles for easy removal
- Suitable for chips, vegetables, meat and baked goods
- Folds together to save space

- The cooling elements keep food, drinks and medicine cool and fresh in any weather, simply place in the freezer for a few hours before use
- Leak-proof cooling elements due to welded opening and sealed lid
- Safe cool packs made of food-safe HDPE plastic
- Application range -18°C to +40°C
- The cool packs can be frozen as often as you like and reused for cooling

Household Filter

hama

Liner for Air Fryers, Non-Stick, Oven-Safe, 12.5 x 20 cm

Size	125 x 200 x 30 mm
Usage	Deep-Fat Fryer

- Protects the oven cavity: Food is cooked in the separate liner, while the basket of the air fryer remains clean
- Practical size: the non-stick insert is suitable for all commercially available air fryers
- Well-thought-out handling: The liner can be easily removed from the air fryer and makes portioning, serving and cleaning noticeably easier
- Add the ingredients directly to the liner tray - keeps the cooking zone clean and protects the air fryer basket from residue
- Reliably captures leaks of oils, marinades or meat juices - ideal for juicy dishes without drips or mess
- Perfect for fish, tofu, vegetables, casseroles or marinated dishes where the liquid needs to be conserved
- Handy for meal prep: prepare dishes straight in the tray, place them in the refrigerator and then simply pop them in the air fryer to cook them
- Compact dimensions: 12.5 x 20 cm, height 3 cm
- Heat-resistant up to 260°C and made from food-safe materials - safe and reliable for everyday use
- Easy to care for and suitable for dishwashers - ready to go again quickly after use

hama

Mesh Basket for Air Fryers, Non-Stick, Oven-Safe, 12.5 x 20 cm

Size	125 x 200 x 30 mm
Usage	Deep-Fat Fryer

- Protects the oven cavity: Food is cooked in the separate liner, while the basket of the air fryer remains clean
- Practical size: the non-stick insert is suitable for all commercially available air fryers
- Well-thought-out handling: The liner can be easily removed from the air fryer and makes portioning, serving and cleaning noticeably easier
- Place ingredients directly in the mesh basket - prevents burnt-on food in the air fryer
- Ideal for chips, vegetables, nuggets, crisps or small snacks
- Vapour-permeable structure allows the unobstructed circulation of air and supports even, crispy results
- Reliably protects the air fryer basket from grease, crumbs and residue - less cleaning required after cooking
- Compact dimensions: 12.5 x 20 cm, height 3 cm
- Heat-resistant up to 260°C and made from food-safe materials - safe and reliable for everyday use
- Easy to care for and suitable for dishwashers - ready to go again quickly after use

hama

Liner for Air Fryer, Non-Stick, Can be Trimmed to Size, Square

Size	240 x 250 mm
Usage	Deep-Fat Fryer

- Nothing burns here: the closed base mat catches fat, the perforated inlay prevents the food from sticking
- Flexibly customisable: the non-stick inlays can be cut to size and are suitable for all commercially available hot air fryers
- The unperforated base mat is placed in the lower or outer basket, catching fat and residue and helping to avoid soiling and burnt-on food; 24 x 25 cm
- The perforated liner is placed on the inner basket or on the plate and prevents the food from getting stuck on the grille; 23.2 x 24.2 cm
- Steam-permeable material for free air circulation within the air fryer
- Heat-resistant to 260°C
- The baking mat [OB4.1] can be cut to the desired size - suitable for all commercially available air fryers
- Side tabs for conveniently removing the liners after use
- Easy to clean: dishwasher-safe
- The mats can be reused up to 100 times

Household Cleaner

hama

Air Fryer Cleaner, 300 ml

Content	300 ml
Suitable for	Oven and Barbecue Grill
Usage	Deep-Fat Fryer

- Simply spray on: the cleaner foams up during the application time and effectively dissolves grease and burnt-on residue
- Active foam cleaner with grease-dissolving formula for spraying onto air fryers
- Foams up during the action time and dissolves grease and residue
- For milder dirt, the air fryer cleaner works independently, but for burnt-on and stubborn food, simply work in with a dish sponge, for example
- Supports the cleaning of inner and outer surfaces
- With a fresh lemon scent
- Also suitable for other cleaning tasks around the home, e.g. oven, grill or kitchen surfaces

				00002931

hama

Drying rack for 6 Bottles, Universal, Glass and Bottle Holder, black

Material	Metal
Width x Depth x Height	14 x 14,8 x 17 cm

- Drying stands for up to 6 bottles of all kinds
- Suitable for bottles from all carbonisation systems - whether it be Sodastream, Aqvia or Aarke
- Universal use: arms of the drying rack virtually vertical, optimised width
- Easy to look after: removable drip tray for easy cleaning
- Easy to clean, simply wipe with a dishcloth
- Slimline drip stand: compact, space-saving dimensions, requires barely any space on the sink unit

				00002921
		12	SC	

hama

Drainer Mat, Silicone, Drainage Rack, Angled Groove Structure, 42.5x32.5 cm

Material	Silicone
• Air drying made easy: The crockery on the mat stands at a slight angle on the grooves, which allows the water to run off easily and also favours air circulation • No slipping: Washed crockery, glasses, cutlery, cookware and accessories stand securely on the non-slip drying mat • Heat-resistant and robust: The silicone draining mat for crockery and Co is, for example, also suitable as a trivet for pots and pans and much more • Easily expand the dish drainer: its length corresponds to the standard dimensions for sinks - for a cohesive look • Collects drained water thanks to its raised edge: does not need to end flush with the sink, so it can be positioned anywhere • Easy to look after: quick and easy to clean under running water • Simply leave to dry: simply hang up the silicone mat using the hole on the short side • Non-slip, multi-purpose mat: the drainage mat can also be used as a liner for the refrigerator, a placemat for pots and pans or even as a food bowl mat for pets

Can be Dimmed	Yes
Colour Temperature	4000 K
Design / Diameter / Height	Candle C37 / 37 mm / 100 mm
Lamp socket	E 14
Power Consumption of an Equivalent Incandescent Lamp	40 W

- neutral white light for work and general lighting
- reliable colour reproduction for everyday applications
- LED lamp in high-quality glass design with classic incandescent lamp character
- frosted cover for even, glare-free light distribution
- broad beam angle for the even illumination of larger areas
- LED illuminant for use in chandeliers, wall and ceiling lights, etc.
- 100% brightness immediately after switch-on without warm-up time or flickering

LED bulb, E14, 330lm replaces 30W, reflector R39, matt, warm white

Colour Reproduction Index RA (min.)	80
Light Colour	Warm White
Can be Dimmed	No
Colour Temperature	2700 K
Design / Diameter / Height	Reflector R39 / 39 mm / 70 mm
Lamp socket	E 14
Power Consumption of an Equivalent Incandescent Lamp	30 W

- warm white light for a cosy living atmosphere and constant brightness
- reliable colour reproduction for everyday applications
- LED lamp in high-quality glass design with classic incandescent lamp character
- frosted cover for even, glare-free light distribution
- LED illuminant for use in shop and display case lighting, etc.
- 100% brightness immediately after switch-on without warm-up time or flickering

LED filament bulb, E14,
470lm repl. 40W, reflector
R50, matt, warm white, 2 St

Colour Reproduction Index RA (min.)	80
Light Colour	Warm White
Can be Dimmed	No
Colour Temperature	2700 K
Design / Diameter / Height	Reflector R50 / 50 mm / 85 mm
Lamp socket	E 14
Power Consumption of an Equivalent Incandescent Lamp	40 W

- Clever savings: several LED illuminants with a top price–power ratio
- Warm white light for a cosy living atmosphere and constant brightness
- Reliable colour reproduction for everyday applications
- filament bulb in high-quality glass design with classic incandescent lamp character
- Frosted cover for even, glare-free light distribution
- LED filament bulb for use in shop and display case lighting, etc.

- filament bulb in high-quality glass design with classic incandescent lamp character
- Frosted cover for even, glare-free light distribution
- Broad beam angle for the even illumination of larger areas
- LED filament bulb for use in classic ceiling lights, floor lamps, table lamps, etc.
- 100% brightness immediately after switch-on without warm-up time or flickering

LED Filament Lamp, E27, Globe G80, Amber, Clear, Extra Warm White. Dimmable

Colour Reproduction Index RA (min.)	80
Light Colour	extra warm white
Can be Dimmed	Yes
Colour Temperature	1800 K
Design / Diameter / Height	Globe G80 / 80 mm / 120 mm
Lamp socket	E 27
Power Consumption of an Equivalent Incandescent Lamp	21 W

- Decorative retro style: Glass in a special colour with a stylish filament look
- Extra warm-white light for a cosy and relaxed atmosphere
- Reliable colour reproduction for everyday applications
- filament bulb in high-quality glass design with classic incandescent lamp character
- Clear cover for maximum transparency
- broad beam angle for the even illumination of larger areas
- LED filament bulb for use in designer and statement luminaires, open pendant and floor lamps, etc.
- 100% brightness immediately after switch-on without warm-up time or flickering

- 100% brightness immediately after switch-on without warm-up time or flickering

				00232514
		6	HR	

LED filament bulb, E27,
806lm replaces 60W, pear
A60, matt, warm white, 5 St.

Colour Reproduction Index RA (min.)	80
Light Colour	Warm White
Can be Dimmed	No
Colour Temperature	2700 K
Design / Diameter / Height	A60 Bulb / 60 mm / 105 mm
Lamp socket	E 27
Power Consumption of an Equivalent Incandescent Lamp	60 W

- Clever savings: several LED illuminants with a top price–power ratio
- Warm white light for a cosy living atmosphere and constant brightness
- Reliable colour reproduction for everyday applications
- filament bulb in high-quality glass design with classic incandescent lamp character
- Frosted cover for even, glare-free light distribution
- Broad beam angle for the even illumination of larger areas
- LED filament bulb for use in classic ceiling lights, floor lamps, table lamps, etc.
- 100% brightness immediately after switch-on without warm-up time or flickering

				00232570

hama

LED bulb, G9, 200lm replaces 20W, plug-in socket, clear, warm white

Colour Reproduction Index RA (min.)	80
Light Colour	Warm White
Can be Dimmed	No
Colour Temperature	2700 K
Design / Diameter / Height	Compact / 14.5 mm / 60 mm
Lamp socket	G 9
Power Consumption of an Equivalent Incandescent Lamp	21 W

- Warm white light for a cosy living atmosphere and constant brightness
- Reliable colour reproduction for everyday applications
- Clear cover for maximum transparency
- Broad beam angle for the even illumination of larger areas
- LED illuminant for use in compact lights, shop and display case lighting, etc.
- 100% brightness immediately after switch-on without warm-up time or flickering

hama

LED bulb, G9, 200lm replaces 20W, plug-in socket, clear, warm white, dimmable

Colour Reproduction Index RA (min.)	80
Light Colour	Warm White
Can be Dimmed	Yes
Colour Temperature	2700 K
Design / Diameter / Height	Compact / 16 mm / 63 mm
Lamp socket	G 9
Power Consumption of an Equivalent Incandescent Lamp	21 W

- Warm white light for a cosy atmosphere
- Reliable colour reproduction for everyday applications
- Clear cover for maximum transparency
- Broad beam angle for the even illumination of larger areas
- LED illuminant for use in compact lights, shop and display case lighting, etc.
- 100% brightness immediately after switch-on without warm-up time or flickering

hama

LED tube, T8, 60 cm, 1100lm replaces 18W, G13, matt, cool white

Colour Reproduction Index RA (min.)	80
Light Colour	Cold White
Can be Dimmed	No
Colour Temperature	6500 K
Design / Diameter / Height	T8 Tube / 604 mm
Lamp socket	G 13

- For increased safety in the event of breakage: The integrated protection foil of the LED tube reduces the risk of falling glass splinters
- daylight white light for constant, maximum brightness and concentration
- easy exchange of fluorescent tubes, which are operated in lamp housing using starters and a conventional AC-adaptor (CLB and LLB)
- No conversion of lights required - the supplied dummy starter must, however, be exchanged with the existing starter
- reliable colour reproduction for everyday applications
- frosted cover for even, glare-free light distribution
- broad beam angle for the even illumination of larger areas
- LED tube for use as office and work lighting, in garages and workshops, etc.
- 100% brightness immediately after switch-on without warm-up time or flickering

hama

LED bulb, GU10, 350lm replaces 50W, reflector PAR16, clear, neutral white, dim

Colour Reproduction Index RA (min.)	80
Light Colour	Neutral White
Can be Dimmed	No
Colour Temperature	4000 K
Design / Diameter / Height	Reflector PAR16 / 50 mm / 54 mm
Lamp socket	GU 10
Power Consumption of an Equivalent Incandescent Lamp	50 W

- LED illuminants with good energy efficiency: reduce power consumption and lower energy costs
- neutral white light for work and general lighting and constant brightness
- Reliable colour reproduction for everyday applications
- Clear cover for maximum transparency
- Narrow beam angle for focussed light with accent and spotlighting
- LED illuminant for use in recessed spots, downlights etc.
- 100% brightness immediately after switch-on without warm-up time or flickering

- DCF radio clock which automatically adjusts to the world's most accurate clock
- Two alarm times programmable, ideal if two persons get up at different times
- FSC-certified: the paper and cardboard used in our packaging comes from sustainable forest management - enabling us to take a resources-sparing approach to the raw material of wood
- Two-part kit comprising a base station and a radio pluviometer / outdoor sensor
- Wireless transmission of the outdoor temperature and amount of precipitation
- Battery capacity display
- Weather station with wall-mounting or stand-up option
- Radio pluviometer
- Display of the amount of rain in mm/inch over the last hour and the last 24 hours
- Graphical representation of the amount of rain in the last 24 hours, last week or last month

Measuring Devices & Sensors

"EWS-200" Weather Station, black

hama

Colour	Black
Shade of colour	Black
Additional Functions	Alert Function, Battery Capacity Indicator, Battery Capacity Indicator Outdoor Sensor, Comfort Indicator, DCF-Radio clock, Data Memory, Displays Maximum & Minimum Values, Moonphase Display, Outdoor Sensor, Possibility of Extension, Snooze Function, Trend Display for Air Humidity, Trendanzeige for Temperature, Weather Forecast
Width x Depth x Height	11 x 2.5 x 11 cm

- DCF radio clock which automatically adjusts to the world's most accurate clock
- The time zone can be set manually if the DCF time differs from that of the time zone
- Displays a weather forecast with four symbols: sunny, slightly cloudy, cloudy, rainy
- Outdoor sensor with temperature and air humidity display
- Shows the current phases of the moon - from new moon to waning moon
- Comfort indicator shows state of indoor climate with three symbols: neutral face, laughing face and sad face
- Adjustable temperature (max. and min. value) triggers an alarm and will wake you up in time for scraping ice off the car windows or for darkening rooms when it is hot
- Two-part kit comprising a base station and a radio outdoor sensor
- LC display with blue backlight
- Up to three wireless outdoor sensors can be connected
- Battery capacity display for station and outdoor sensor
- Thermometer:
- Display of indoor and outdoor temperature
- Temperature trend display
- Can be switched between degrees Celsius and degrees Fahrenheit
- Max./min. data memory for temperature

"Bahamas " Weather Station, w. Outd. Sensor, Radio, Alarm, Room Clim., wht

hama

Colour	White
Shade of colour	White
Additional Functions	Alert Function, Battery Capacity Indicator, Comfort Indicator, DCF can be switched off, DCF-Radio clock, Data Memory, Date, Snooze Function, Trend Display for Air Humidity, Trendanzeige for Temperature, Weather Forecast
Width x Depth x Height	14,2 x 2.5 x 9.5 cm

- DCF radio clock which automatically adjusts to the world's most accurate clock
- The time zone can be set manually if the DCF time differs from that of the time zone
- DCF radio signal can be switched off completely when not in use
- Comfort indicator shows state of indoor climate with three symbols: neutral face, laughing face and sad face
- Displays indoor and outdoor air humidity
- Outdoor sensor with temperature and air humidity display
- Know the weather for tomorrow in advance: with the weather station featuring predictions for the following day, you're ready for rain, heat or snow
- Displays a weather forecast with seven symbols: sunny, slightly cloudy, cloudy, rainy, heavy rain, snowfall, heavy snowfall
- Two alarm times programmable, ideal if two persons get up at different times
- Speed alarm wakes up sleepyheads with an increasing alarm speed
- FSC-certified: the paper and cardboard used in our packaging comes from sustainable forest management - enabling us to take a resources-sparing approach to the raw material of wood
- Radio weather station in a modern, compact design
- Battery capacity display
- White LED backlight
- Intuitive operation with four touch sensors on the display

Charger

hama

USB Power Supply Unit with 1.9 m Long Cable, 2.4 A, 2x USB-A, white

Connection	USB Type A female/female
Input Voltage Range from/to	110-240 V
Type	Travel Charger
Max. Output Power	12 W

- with 2 integrated USB-A sockets: ideal for all devices that are charged and operated via USB, e.g. tablet, smart-phone, power pack, console

				00223203
	60	HB		

hama

USB Power Supply Unit with 1.9 m Long Cable, 3.5 A, 1x USB-C, white

Connection	USB Type A female/female, USB-C-Connector
Input Voltage Range from/to	110-250 V
Type	Travel Charger
Max. Output Power	17.5 W

- With 1 USB-A socket and 1 USB-C socket: ideal for all devices that are charged and operated via USB, e.g. tablet, smartphone, power pack, console

				00223204
	60	HB		

hama

USB Power Supply Unit with 1.9 m Long Cable and Euro Socket, 2x USB-A, white

Connection	Euro Socket, USB Type A female/female
Input Voltage Range from/to	220-250 V
Type	Travel Charger
Max. Output Power	587 W

- with 2 integrated USB-A sockets: ideal for all devices that are charged and operated via USB, e.g. tablet, smart-phone, power pack, console
- With increased touch protection to avoid accidental contact

				00223202
	48	HB		

hama

Battery Charger with 8x AA Li-Ion Battery, 2000 mAh, Single Channel Charging, USB-C

Connection	USB-C-Connector
Battery Type	Lilon
Input Voltage Range from/to	5 V
Type	Round cell charger
Max. Output Power	12 W

- Because every single one counts: independent charging of each battery, as each of the eight charging bays is controlled individually

				00223560
	24	HB		

hama

Battery Charger with 8x AAA Li-ion Batteries, 780 mAh, Single Channel Charging, USB-C

Connection	USB-C-Connector
Battery Type	Lilon
Input Voltage Range from/to	5 V
Type	Round cell charger
Max. Output Power	12 W

- Because every single one counts: independent charging of each battery, as each of the eight charging bays is controlled individually

				00223559
	24	HB		

hama

Battery Charger for AA and AAA Rechargeable Batteries

Battery Type	NiCd/NiMH
Type	Round cell charger

- Integrated timer switches the charging process off automatically after a pre-set time and therefore protects the rechargeable batteries from overcharging
- The charger is simply plugged into the socket to start charging
- 2 or 4 AA and AAA rechargeable batteries can be charged simultaneously

				00223553
	6	HB		

hama

Rechargeable Battery Charger for 1 to 4 NiMH AA or AAA Rechargeable Batteries

Battery Type	NiMH
Type	Round cell charger

- Each battery is individually monitored and charged in the 4 charging slots; the respective charge state is displayed in the LCD display - therefore optimal charging of 1 to 4 batteries independently of their size (Mignon or Micro) and capacity

				00223552
	6	HB

HOME TECHNOLOGY

Remote Control

hama

Universal Remote Control for Air-Conditioning Systems and Units, Infra-Red, Wall Bracket

Shade of colour	White
Signal Transmission	Infrared
Range	5 m
Battery Type	AAA Micro

- Pre-programmed replacement remote control for all standard brands and devices (e.g. Daikin, Mitsubishi, Panasonic, LG, Samsung and much more)

				00221040
		10	HB	

hama

Smart WLAN Universal Remote Control, Infra-red, for Voice / App Control

Shade of colour	Black
Signal Transmission	Infrared, WiFi
Range	8 m
Battery Type	None

- Get smart with infra-red transmitters: with the smart IR remote, you can integrate any device that can be controlled with an IR remote control into your smart home - for example TVs, air-conditioning systems or designer lamps. A separate remote control is no longer needed

				00176639
		10	HB	

hama

Zigbee Switch, 2 Buttons, Smart Button for 6 Scenes, Programmable

Shade of colour	White
Signal Transmission	Zigbee
Range	30 m
Battery Type	AAA Micro

- From smart light-switch remote to highly complex: up to six scenes can be triggered directly at the touch of a button on the smart home switch – simply press 1x or 2x or hold down for convenient speed dialling

				00176676
		48	HB	

hama

Smart Button, 2 Buttons, Switch for 6 Scenes, Zigbee, white

Shade of colour	White
Signal Transmission	Zigbee
Range	30 m
Battery Type	AAA Micro

- Up to six scenes can be triggered directly on the smart-home switch at the touch of a button - simply press once or twice, or press and hold for convenient speed selection
- The smart home remote control is the practical alternative to app and voice control without a mobile phone

				00176968
		48	HB	

Smoke Detector

hama

"GS526" Optical Smoke Detector with 10-Year Battery

Shade of colour	White
Loudness of Signal Tone	85 dB
Power Supply	Batteries

- Secure early warning by extra loud alarm (85 dB) already in the event of low smoke generation
- No need to change the battery for the duration of its lifetime due to the permanently installed 10-year battery

				00223842
		10	HB	

hama

"GS536" Optical Smoke Detector

Shade of colour	White
Loudness of Signal Tone	85 dB
Power Supply	Batteries

- Secure early warning by extra loud alarm (85 dB) already in the event of low smoke generation
- Easy installation on the ceiling
- Alarm and pilot LED
- Test button for recommended monthly testing (function test / battery)
- Acoustic signal reminds users to change the battery

				00223841
		10	HB	

Door/Window Interface

hama

Smart Home Window Contact, for Doors, Windows, Garages, Zigbee, Magnetic

Attachment	Adhesive Pad, Screw-On Mounting
Battery Type	AAA Micro
Number of Batteries	2
Power Supply	Batteries

- Smart window contact, smart heating control If the window sensor is linked to a smart heating thermostat via an automation device, the heating is turned down as soon as you open a window - saving you heating costs and keeping your CO2 footprint smaller too
- A healthy indoor climate with the door and window sensor: prolonged shock ventilation and a chilly apartment are a thing of the past with the contact sensor, since the app reminds you after a defined time that windows and doors are still open
- There's nobody there, but the door or window opens: with the window alarm, nobody can make their way into your home unnoticed since, as soon as something happens with a window or door, you get a push notification on your mobile phone or the siren linked to it starts to sound
- Step by step to the Smart Home: with the Hama Home app and window contact, lots of automation devices can be programmed for a secure and comfortable home with other smart home products, e.g. with a smart alarm siren, WLAN lamp, surveillance camera

White				00176663
		10	HB	

hama

Window Contact, Smart, Zigbee, for Doors, Windows, Garages, Magnetic

Attachment	Adhesive Pad, Screw-On Mounting
Battery Type	AAA Micro
Number of Batteries	2
Power Supply	Batteries

- Whether it be the sofa or the sun lounger: with the Hama Home app, you can check the status of windows, doors and more from anywhere, ensuring you have complete control over your home at all times
- For integration into in-home networks via the "Hama Home" app
- Simply add it via the existing Hama Smart Home hub or Hama heating central control unit
- Create groups or scenes, e.g. in combination with a smart LED lamp
- Easily attach to the door or window frame using the enclosed adhesive pads; both parts of the window contact are magnetic
- Can be extended with any number of contact sensors
- Low consumption: battery life of around 2.5 years
- Power supplied by batteries
- Operating system: Android 8.1 and iOS 16.1 or later

White	00176696
48	HB

Water Detector

hama

Smart Water Detector, Zigbee, 80dB, with Sound and Push Notification

Shade of colour	White
Attachment	Adhesive Pad
Loudness	80 dB
Material	Plastic Material
Battery Type	AAA Micro, 1.5V
Number of Batteries	2
Power Supply	Batteries

- The water detector alerts you via an 80-decibel siren or push notification on your mobile phone as soon as an unwanted water level is reached
- Whether it be the sofa, beach bed or office: with the Hama Home app or voice commands through Amazon Alexa, Google Assistant or Apple Siri, you can control your smart devices from anywhere
- Thanks to low power consumption, a battery life of up to three years is possible - the app automatically informs you when the battery is low
- Easy automation with the Hama Home app: in combination with a separate siren in another room, for example, trigger an alarm when a certain water level is reached
- Step by step to the Smart Home: with the Hama Home app, you can expand and network your smart home with any number of Hama Smart Home products
- Water detector for integration into your own WiFi network via the free "Hama Home" app
- Informs about unwanted water levels
- Simply integrate into your network via the existing Hama Smart Home hub (00176637) or the Hama heating control centre (00176593)

WLAN Camera

hama

WLAN Camera "outdoor, recording, night vision, 1080p"

Frequency Range	2.4 GHz
Resolution	1920 x 1080 (Full HD)
Wireless Encryption	WPA2

- WLAN surveillance camera responds to movements: if the camera detects movement, you can be notified via push notification or automatically trigger recording
- Detailed images in the dark: during the night, infra-red night vision means you can still rely on camera surveillance
- Communication from anywhere: the microphone and speaker allow contact via the WLAN camera and smartphone or tablet, like an intercom system
- Razor-sharp images: whoever is creeping around your property, with images from the outdoor camera in Full HD 1080p, you'll spot everything and everyone
- More local memory completely without the cloud thanks to the microSD card slot: memory cards of up to 128 GB offer plenty of space for extensive video recordings
- Whether it be the sofa or the sun lounger: with the Hama Home app and WLAN camera, you have control over your property, garden and front door at all times, no matter where you are
- Whether it be Amazon Alex, Google Assistant or Apple Siri: easily display the live image from the WLAN outdoor camera on devices with a screen using voice controls

Black, Silver	00176646
White	00176645
12	HB

hama

Surveillance Camera with Light and Motion Detector, WLAN, for Outdoors, 1080p

Frequency Range	2.4 GHz
Resolution	1920 x 1080 (Full HD)
Wireless Encryption	WPA2

- Our surveillance camera works entirely without a gateway (hub) via a direct Wi-Fi connection: you do not need an additional device and save additional costs
- Whether it be the sofa or the sun lounger: with the Hama Home app and WLAN camera, you have control over your property, garden and front door at all times, no matter where you are
- Whether it be Amazon Alexa or Google Assistant: simply display the live image from the WLAN outdoor camera on devices with a screen using voice controls
- WLAN surveillance camera responds to movements: if the camera detects movement, you can be notified via push notification, automatically trigger recording or switch on the integrated floodlight
- Outdoor camera for day and night: the integrated floodlight replaces and improves the existing outdoor lighting with its powerful effect - also allowing even more detailed surveillance of yards, gardens, plots of land and stables
- Detailed images in the dark: during the night, infra-red night vision means you can still rely on camera surveillance as it works independently of the integrated light

Black	00176614
8	SC

hama

Surveillance Camera, WLAN Outdoor Camera, Rechargeable Battery, Solar, Reco

Frequency Range	2.4 GHz
Maximum hardware resolution	1920 x 1080 Pixels
Resolution	1920 x 1080 (Full HD)
Wireless Encryption	WPA2

- Keep an eye on even remote corners thanks to solar power: when the outdoor camera is powered via the solar module, virtually autonomous operation is possible, making it ideal for places that are not often visited, such as barns and stables
- Wireless and straightforward: camera surveillance without tiresome power cable routing - with a battery life of four months, this is ideal for monitoring hard-to-access or rarely-visited areas
- WLAN surveillance camera responds to movements: if the camera detects movement, you can be notified via push notification, automatically trigger recording or switch on a WLAN light, for example
- Detailed images in the dark: during the night, infra-red night vision means you can still rely on camera surveillance
- Always track what's happening in front of the camera: when movement is detected, video recording starts automatically - either save locally to micro-SD cards up to 128 GB or to a chargeable cloud account, ensuring no recorded material is lost
- 2-way audio: a microphone and speaker allows communication via the WLAN outdoor camera, e.g. over a mobile phone with the postman, even when you're not at home

Black	00176648
20	SC

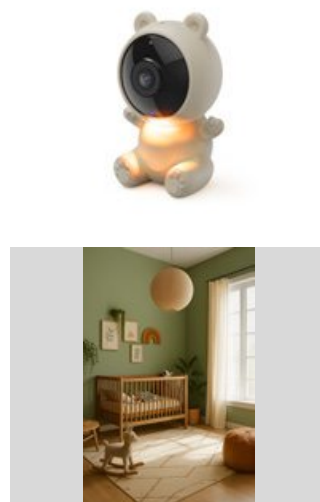

hama

WLAN Surv. Camera with Light and Motion Detector, Smart, for Outdoors

Frequency Range	2.4 GHz
Resolution	4 Megapixel
Wireless Encryption	WPA2

- The integrated lighting enables detailed monitoring of the DVI input, patio, courtyard, and garden
- Outdoor lighting with Motion Detector always ensures the area is always lit, without the need to operate a switch
- With the vivid, detailed recordings in 4 MP and 2.5K, you will see anything and everything
- Guarantees reliable camera surveillance even in rain and snow, the IP65 protection class protects against water jets from all directions
- Enables full-colour night vision in the dark
- Motion detectors can distinguish between humans and other entities and can be set accordingly
- 2-way audio: a microphone and speaker allows communication via the WLAN outdoor camera, e.g. over a mobile phone with the postman, even when you're not at home
- Memory cards up to 128 GB offer sufficient space for extensive video recordings
- Control the smart surveillance camera from anywhere thanks to the Hama Home app
- Easily display the live image from the WLAN outdoor camera on devices with a screen using voice controls
- No additional device required, as the camera establishes a direct Wi-Fi connection to the router

White	00176670
12	HB

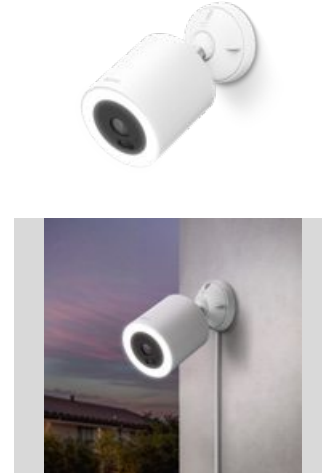

hama

WLAN Baby Phone with Camera & App, Night Vision, Intercom, Temperature

Frequency Range	2.4 GHz
Resolution	1920 x 1080 (Full HD)
Wireless Encryption	WPA2

- Is it the baby crying? The baby-cry detection sends push notifications only if desired when the baby cries and not for other noises
- Soft light for peaceful nights: The camera in a cute teddy design has an integrated night light that provides calming, dimmable light - ideal for keeping baby safe
- A feel-good climate at a glance: the smart baby camera sends a notification if the temperature is too high or too low - for a healthy and comfortable sleeping environment
- Lullabies at the touch of a button: play soothing white noise or gentle lullaby melodies directly via the surveillance camera
- Detailed recordings even in complete darkness: With the baby monitor's camera night vision, you can monitor your baby's sleep phases without disturbing its sleep with lighting
- WLAN surveillance camera responds to movements: if the camera detects movement, you can be notified via push notification or automatically trigger recording
- Soothe baby with familiar words: The baby monitor with Camera and intercom function allows you to speak to your baby before you enter the room to pick them up
- Best Visual Angle of the baby: drill-free mounting with flexible swan neck for optimum positioning of the baby camera on the cot

White	00176673
12	HB

hama

Smart Surveillance Camera with Light and Motion Detector, WLAN, for Outdoors

Frequency Range	2.4 GHz
Resolution	4 Megapixel
Wireless Encryption	WPA2

- Outdoor camera for day and night: with its powerful lighting effect, the integrated lighting enables even more detailed monitoring of the entrance, patio, courtyard and garden
- The perfect duo: Outdoor lighting with motion detector guarantees light at all times without having to operate a switch - ideal, for example, when you drive into the yard by car
- Razor-sharp images: whoever is sneaking across your property - with the vivid, detailed images in 4 MP and 2.5K, you will recognise everything and everyone with the outdoor camera
- Waterproof outdoor camera: the surveillance camera guarantees reliable camera surveillance even in rain and snow, the IP65 protection class protects against water jets from all directions
- Turns night into day: the camera with exterior lighting enables full-colour night vision in the dark
- WLAN surveillance camera responds to movements: if the camera detects movement, you can be notified via push notification or automatically trigger recording
- Who goes there? Motion detectors can distinguish between humans and other entities and can be set accordingly

Shade of colour	White
Maximum Load	3680 W
Number of Radio Sockets	1

- Our WLAN socket works without any gateway (hub): you don't need an additional device, and you save on extra costs since the socket establishes a direct WiFi connection to the router
- Smart home without power guzzlers: the Smart socket measures power consumption in real time

Power Strip

hama

Power Strip "3-fold, USB-A 17W, switch, 1,4 m"

Number of USB Ports	2
Material	Plastic Material
Number of Sockets	3
Cable Length	1.4 m

- With increased touch protection to avoid accidental contact
- Ideal for all devices that are charged via USB, e.g. tablet, smartphone, power pack, console

Black				00223182
White				00223181
		6	HB	

hama

Power Strip, 3-Way, USB-C/A 18 W, PD/FC, Switch, Flat Plug, 1.4 m, w

Number of USB Ports	2
Material	Plastic Material
Number of Sockets	3
Cable Length	1.4 m

- Supports Power Delivery and Fast Charge technology, which guarantees extra-quick charging, faster than with conventional charging technologies
- Space-saving and well-designed flat plug for hard-to-access places, e.g. behind cabinets

White				00223185
		6	HB	

hama

Power Strip
"5-fold, USB-A 17W, switch,
1,4 m"

Number of USB Ports	2
Material	Plastic Material
Number of Sockets	5
Cable Length	1.4 m

- With increased touch protection to avoid accidental contact
- Ideal for all devices that are charged via USB, e.g. tablet, smartphone, power pack, console
- Two-pole, unilluminated On/Off switch, ideal for switching off not-needed or standby equipment

Black	00223184
White	00223183
	20 HB

hama

**Power Strip, 5-Way, w. 17
W 2-Way USB-C Adapter,
Switch, 1.4 m, white**

Number of USB Ports	2
Number of Sockets	5
Cable Length	1.4 m

- Compact and versatile: USB-C adapter for the easy expansion of the socket strip with 2 USB sockets
- Two multi-way plugs in one set: maximum flexibility thanks to 5-way power strip plus 2-way USB-C adapter, can be used individually or in combination

White	00223191
	6 HB

hama

**Socket Cube, 3-Way, 2x USB-
C, 1x USB-A, 67 W, Display,
1.4 m, black**

Number of USB Ports	3
Material	Plastic Material
Number of Sockets	3
Cable Length	1.4 m

- Charge a notebook via USB: with a powerful 67 Watts, the socket cube with USB-C allows laptops, Macs and more to be charged using Power Delivery - without a separate power supply unit. A USB charging cable is all that's needed

Black	00223196
	20 HB

hama

**Power Strip, 2-Way, for Ex-
ternal IP44, Wall Mounting, 2
m, black**

Material	Plastic Material
Number of Sockets	2
Cable Length	2 m

- Protection class IP44: splash-protected outdoor power strip for gardens, garages, construction sites, etc.
- Self-closing cover prevents water and dust from getting into the socket
- For hanging: integrated hanging eyelets for wall mounting
- With increased touch protection to avoid accidental contact

Black	00223061

Shredder

hama

"Classic S61" Document Shredder, Shredder with Security Level P2 T2 E2

Capacity (Paper)	8 l
Max. Cutting Speed	2.8 m/min
Max. Feed Width (Paper)	220 mm
Noise Level	72 dB
Protection Class	1
Security Level (DIN 66399)	E-2, P-2, T-2

- Plastic cards can also be destroyed via the paper entry slot
- The device shuts itself off automatically to avoid damage on the device
- High-quality cutters are made of steel and cope with staples
- Automatic Start / Stop function: the cutting rollers start automatically as soon as the material to be shredded is fed in, and stop as soon as the shredding process is complete
- Reverse function: especially useful if a jammed document needs to be released again using the automatic and reverse button
- Includes paper basket (8 litres) with viewing window

Black	00050581
4	SC

hama

"Classic S60" Document Shredder, Shredder with Security Level P2 T2 E2

Max. Cutting Speed	3.8 m/min
Max. Feed Width (Paper)	220 mm
Noise Level	74 dB
Protection Class	1
Security Level (DIN 66399)	E-2, P-2, T-2

- Plastic cards can also be destroyed via the paper entry slot
- The device shuts itself off automatically to avoid damage on the device
- High-quality cutters are made of steel and cope with staples
- Shredder head with an extendable arm to fit standard wastepaper baskets
- Automatic Start / Stop function: the cutting rollers start automatically as soon as the material to be shredded is fed in, and stop as soon as the shredding process is complete
- Reverse function: especially useful if a jammed document needs to be released again using the automatic and reverse button
- Device head can be placed on round and angular paper baskets with diameters / widths from approx. 28.8 - 35.5 cm

Black	00050580
10	SC

hama

"Home X10CD" Shredder, Shredder with Security Level E3 P4 T4

Capacity (Paper)	15 l
Max. Cutting Speed	2 m/min
Max. Feed Width (Paper)	220 mm
Noise Level	72 dB
Protection Class	2
Security Level (DIN 66399)	E-3, P-4, T-4

- This document shredder is ideal for destroying personal data in paper form in accordance with the General Data Protection Regulation (GDPR)
- CDs/DVDs/Blu-ray discs can be destroyed via a separate entry slot
- Plastic cards can also be destroyed via the paper entry slot
- The device shuts itself off automatically to avoid damage on the device
- High-quality cutters are made of steel and cope with staples
- Automatic Start / Stop function: the cutting rollers start automatically as soon as the material to be shredded is fed in, and stop as soon as the shredding process is complete
- Reverse function: especially useful if a jammed document needs to be released again using the automatic and reverse button
- Includes paper basket (15 litres) with viewing window
- Separate collecting container for CDs / DVDs / Blu-rays
- "Power" function LED
- "Overheat" function LED
- Safety mechanism prevents operation if the device head is not correctly inserted in the paper basket

2	SC

hama

"MINI S6" Shredder, Shredder with Security Level P1

Max. Cutting Speed	3 m/min
Max. Feed Width (Paper)	217 mm
Noise Level	72 dB
Protection Class	1
Security Level (DIN 66399)	P-1

- Shredder head with an extendable arm to fit standard wastepaper baskets
- The device shuts itself off automatically to avoid damage on the device
- High-quality cutters are made of steel and cope with staples
- Main switch with off, forward and reverse function: especially useful if a jammed document needs to be released again using the forward and reverse button
- Device head can be placed on round and angular paper baskets with diameters / widths from approx. 28 - 34 cm

Black	00050540
10	SC

hama

"Premium M8+" Shredder, Shredder with Security Level P5 T5 E4, 20l

Capacity (Paper)	20 l
Max. Cutting Speed	2 m/min
Max. Feed Width (Paper)	220 mm
Noise Level	68 dB
Protection Class	3
Security Level (DIN 66399)	E-4, P-5, T-5

- Securely destroy confidential data: according to DIN 66399, this document shredder with security level P5 is suitable for the destruction of personal data in paper form in accordance with the General Data Protection Regulation (GDPR)
- Compact design with security level P-5: the optimised format makes the shredder small and space-saving and at the same time meets high requirements for data protection and paper volume thanks to the large waste paper basket (20 litres)
- The smaller the shreds, the higher the volume: the document shredder with particle cut (micro-cut) produces extra-small paper shreds measuring 2x12 mm and creates a higher collection volume in the basket
- Paper shredder with excellent cutting performance: the paper shredder shreds up to 8 sheets of paper (80 gsm) or 9 sheets of paper (70 gsm) in one cutting process
- Shredder for documents and more: plastic cards with magnetic strips, EC cards or credit cards can also be shredded quickly and securely via the paper feed

Shredder "Prime M50CD"

Capacity (Paper)	13 l
Max. Cutting Speed	2.5 m/min
Max. Feed Width (Paper)	220 mm
Noise Level	68 dB
Protection Class	3
Security Level (DIN 66399)	E-2, O-1, P-5, T-2

- Securely destroy confidential data: according to DIN 66399, this document shredder with security level P5 is suitable for the destruction of personal data in paper form in accordance with the General Data Protection Regulation (GDPR)
- The smaller the shreds, the higher the volume: the document shredder with particle cut (micro-cut) produces extra-small paper shreds measuring 2x12 mm and creates a higher collection volume in the basket
- CDs/DVDs/Blu-ray discs and plastic cards can be destroyed via a separate entry slot
- Safe from premature damage: to prevent defects in the device, the document shredder with overheating protection switches off automatically and cools down in time
- Shred documents easily: thanks to the staple-proof quality steel blade shafts, the document shredder also shreds stapled files effortlessly
- Automatic Start / Stop function: the cutting rollers start automatically as soon as the material to be shredded is fed in, and stop as soon as the shredding process is complete for more convenience and less noise

"Aluminium" Laptop Stand, 6-stage Tilt, Folding, up to 40 cm (15.6"), silve

Material	Aluminium
Width x Depth x Height	18 x 25 x 2 cm

- Style for the desk: sturdy and stylish aluminium surface with angled edges in a high-gloss finish
- Stand function for easy positioning of the device
- Vertical angle of tilt can be flexibly adjusted, ideal for ergonomic working on the laptop while seated and standing
- Non-slip rubber pads for a stable position also protect the resting surface from scratches
- for storage and easy transport: the simple pouch with drawstring protects the notebook stand from scratches, dust, etc.
- Portable laptop stand: easy to transport (height folded down: approx. 2 cm)
- 6-stage tilt adjustment, makes an ergonomic posture and seating position easier thanks to individual raising of the laptop
- Non-slip rubber pads on the underside ensure a secure grip of the laptop on the desk
- Additional rubber pads on the sliding edge prevent scratches and slipping of the notebook on the stand itself
- Stable resting surface prevents overheating of the laptop on the stand since the ventilation slits are not blocked
- Ideal laptop booster for home office and mobile working
- Recommended for laptops with a display size of max. 40 cm (15.6"): suitable for 10", 11", 12", 13", 14", 15" and all sizes in between up to 15.6"
